

## **Township of Malahide 2018 Bag Tags Notice**

The Township is no longer mailing the annual garbage bag tag allotment to eligible property owners. Residents wishing to use the Township's Waste Management Program in 2018 are required to pick up the bag tags at the Township Office.

### **Which properties are eligible to receive the annual allotment of tags?**

Generally, all non-vacant residential properties are eligible to receive an annual allotment of bag tags. Your 2017 final property tax bill identifies if your property is eligible to receive the annual allotment for 2018.

### **Where can the bag tags be picked up?**

The tags can be picked up at the Township Office at 87 John Street South in Aylmer.

### **When can they be picked up?**

The tags can be picked up during regular business hours, 8:30 am to 4:30pm., beginning on November 6, 2017.

### **Who can pick them up? Do I need identification?**

The registered property owner, as identified on the 2017 property tax bill, will be given the tags. Yes, the Township will require identification (photo id).

### **I cannot make it to the Township Office to pick up my bag tags. Can I have someone else pick them up for me?**

Yes, any person over 18 years of age with proper identification can pick up the bag tags for the landowner. However, the property owner must complete the enclosed authorization form (also available on the Township website). The person picking up the tags will be required to present the completed authorization form and sign for the tags. They then become responsible to provide the property owner with the bag tags.
