(**REFER TO CONDITIONS**)

Signature of Applicant

Date Signed

CONDITIONS

1. This permit is issued under Section 110 of the Highway Traffic Act and is subject to the conditions within this permit. The permit holder must comply to all the requirements of the Highway Traffic Act and this permit does not grant permission to disobey any of those Regulations.
2. No portion of any road shall be closed at any time. The transporter must at all times create the least interference with traffic as possible throughout the execution of the work granted under this permit.
3. A Refundable Security Deposit may be requested by the **Township of Malahide** during the execution of any permit. The applicant and / or the transporter is responsible for any damage done to the road and the deposit may be used to remedy any damages and return the roadway to its condition prior to the execution of this permit.
- ➔ 4. A **minimum of \$ 3,000,000.00 liability insurance specifically issued to cover the type of work** granted under this permit shall be held by the transporter stated in this permit. **A copy of this liability insurance must be submitted with every permit application.** The transporter assumes all liability and will "save the **Township of Malahide** harmless" when granted a permit.

5. This permit is **NOT valid**:
 - a) On roads other than **Township of Malahide Roads** as defined by the Township of Malahide Road Consolidating By-Law as amended time to time,
 - b) At any time when due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the road are not clearly seen at a distance of 150 metres or less,
 - c) Between one half hour before sunset and one half hour before sunrise,
 - d) on any Saturday, Sunday or Statutory Holiday.
6. This permit **IS valid**:
 - a) Between one half hour after sunrise and one half hour before sunset, b) on Monday through Friday.
7. Overweight permits are **NOT valid** and will not be issued while the **"Half Load"** season is in force.
8. This permit must be produced on demand of a police officer or an officer appointed for carrying out the provisions of the Highway Traffic Act.
9. This permit is issued on the condition the permit holder accepts responsibility for any and all damage that may be caused to overhead wires, structures, roads, infrastructure, signs or railway right of ways. The permit holder must obtain the necessary approvals from all encroachments and / or any provincial or municipal permits required for the proposed routes.
10. This permit may be terminated at the discretion of the **Director** or designate for the breach of any condition of this permit.
11. Where a permit is issued in respect of:
 - 1) Height: The load shall not be composed of articles loaded one on top of the other (Standard 4.15 m).
 - 2) Width: The load shall not be composed of articles loaded side by side or crosswise.
 - 3) Length: The load shall not be composed of articles loaded one behind the other and any overhang to the rear shall not exceed 4.65 m from the centre of the rearmost axle unless otherwise stated.
 - 4) Weight: The load shall not be composed of more that one article. When crossing bridges, vehicles of over 45,400 kg gross weight must be operated at the lowest practicable speed. Bridge postings and load restrictions pursuant to Part VIII, Section 114 to Section 127 of the Highway Traffic Act apply.
12. Vehicles and loads in excess of the width and / or length prescribed under Section 109 of the Highway Traffic Act shall be marked with four or more flags, one as near as practicable to each corner of the vehicle or load. The flags shall be bright red or orange in colour and shall be not less than 40 cm X 40 cm square. Where a vehicle or load is wider at any point or points on either side than at the corner, it shall, where practicable, be so marked with such a flag at the widest point on each side.
13. Vehicles and loads in excess of the length prescribed under Section 109 of the Highway Traffic Act shall, in addition to the flags required under Condition 11, display on the rear, in a clearly visible position, a sign bearing the words "LONG LOAD" in black letters at least 200 mm wide with lines forming the letters at least 30 mm wide on a yellow background. The sign to be removed or covered when not in use.
14. This permit may be issued with the condition that the permit holder provides an escort vehicle or vehicles either proceeding or following the oversize / overweight vehicle or load: ▶[If Police Escort is required for move Township will require proof that escort has been obtained.]

Width requirements for escort vehicles:	No escort required	2.61 m to 3.99 m
	Private escort required	4.00 m to 4.99 m
	Police escort required	5.00 m and greater
Length requirements for escort vehicles:	No escort required	23.01 m to 36.75 m
	Private escort required	36.76 m to 45.74 m
	Police escort required	45.75 m and greater

15. **NOTE:** Where a permit is issued on condition the permit holder provide Private Escort Vehicle or Vehicles:
 - 1) The escort vehicle(s) shall be operated by a person not less than 18 years of age.
 - 2) The escort vehicle(s) shall not have more than 2 axles and a wheel base length of not less than 2.65 meters and shall be equipped with an amber flashing roof light visible from the front and rear for a distance of at least 150 metres and shall precede on a two lane roadway or follow on a four lane roadway at a distance of 60 to 150 metres and shall bear a sign clearly visible for a distance of at least 150 metres, "CAUTION OVERSIZE LOAD FOLLOWS" or "CAUTION OVERSIZE LOAD AHEAD" as the case may be in black letters at least 200 mm high with lines forming the letters at least 30 mm wide on a yellow background. The sign to be removed or covered when not in use.
 - 3) When escorting a movement in excess of 4.00 metres in width, the escort vehicle(s) and towing vehicles(s) shall be equipped with a working two way radio communication device permitting inter-communication between the vehicles.
 - 4) An escort vehicle shall be equipped with a fire extinguisher in effective working order, six 45 cm (18") traffic cones.
 - 5) All units, including the escort vehicle(s) will be operated with headlights on, when travelling on a roadway.

ANNUAL OVERSIZE MOVING PERMIT: CONDITIONS – (Valid Calendar Year "January to December") Annual Permits will only be granted for oversized moving if all information submitted in Sections 1 and 2 of this permit application remain the same during each and every move. If any of the submitted information or parameter of the proposed move(s) has changed (for example: different route traveled, size of load has changed, etc.). a new permit form must be submitted showing the changes to the original permit application. No moving operation shall commence until the specific conditions of that move have been approved by the Director of Physical Services or designate. **Annual Permit restricted to Width (2.61 m to 3.99 m), Length (23.01 m to 36.75 m), Height (4.15 m); loads exceeding these requirements will require a separate moving permit.**
48 HOURS NOTICE REQUIRED PRIOR TO ALL MOVES
