

TOWNSHIP OF MALAHIDE ANNUAL ACCESSIBILITY STATUS REPORT

2020

Objectives and Purpose

This is the Township of Malahide's Annual Accessibility Status Report update. In 2015, The Township of Malahide released its Multi-Year Accessibility Plan, in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Integrated Accessibility Standards Regulation (Ontario Regulation 191/11). This Multi-Year Accessibility Plan expires in 2020. The plan outlined the Township's strategy to prevent and remove barriers to accessibility, which included how to meet phased-in requirements under the AODA.

This Status Report includes the accessibility initiatives that were completed in 2019 and 2020 to implement the strategy outlined in the Township's Multi-Year Accessibility Plan.

The purpose of this Status Report is to make the public aware of The Township of Malahide's progress with accessibility implementation and to prevent and remove barriers and meet requirements under the AODA.

Compliance Reporting

The Township filed its third Accessibility Compliance Report in 2019 with the Ministry for Seniors and Accessibility.
