CITY OF VAUGHAN

EXTRACT FROM COUNCIL MEETING MINUTES OF SEPTEMBER 27, 2021

Item 32, Report No.39, of the Committee of the Whole, which was adopted without amendment by the Council of the City of Vaughan on September 27, 2021.

32. ENDORSING NATIONAL TEEN DRIVER SAFETY WEEK AND REQUESTING THE MINISTRY OF TRANSPORTATION TO REVIEW MEASURES IMPACTING NEWLY LICENSED DRIVERS

The Committee of the Whole recommends approval of the recommendations contained in the resolution of Councillor Yeung Racco and Regional Councillor Rosati dated September 14, 2021.

Member's Resolution

Submitted by Councillor Yeung Racco and Regional Councillor Rosati

Whereas, City of Vaughan Council is concerned about the continued occurrence of serious motor vehicle collisions involving newly licensed drivers and drivers under the age of 18; and

Whereas, a shocking and tragic collision involving a 16-year old driver occurred on May 16th, 2021 on Athabasca Avenue in the City of Vaughan, resulting in the fatality of two young children; and

Whereas, City of Vaughan Council deferred the Resolution titled "Raising the Legal Age for a Licensed Driver from 16 to 18" on June 1, 2021 to a September Committee of the Whole meeting for further review and research; and

Whereas, the Province of Ontario has legislative authority over driver licensing, highways, automobile insurance, and the enforcement and prosecution of the federal criminal law; and

Whereas, the Ontario Ministry of Transportation administers the Highway Traffic Act, R.S.O. 1990, c. H.8; and

Whereas, the Ontario Ministry of Transportation published the "Ontario Road Safety Annual Report 2018", being the most recent report issued, containing statistics that demonstrate that the percentage of young, licensed drivers, ages 17 to 20, that were involved in vehicle collisions is higher than any other age group; and

Whereas, York Region published "2020 Traveller Safety Report" which provided that, based on collision data from the York Regional Police motor vehicle accident reports, drivers below the age of 25 have a higher at-fault collision rate and higher fatality rate in collisions than any other age group; and

CITY OF VAUGHAN**EXTRACT FROM COUNCIL MEETING MINUTES OF SEPTEMBER 27, 2021****Item 32, CW Report 39 – Page 2**

Whereas, the Canadian Council of Motor Transport Administrators published “Canada’s Road Safety Strategy 2025” and identifies drivers that are either under the age of 25 or have less than two years of driving experience as a ‘risk group’ based on several contributing factors, some including distracted driving, impaired driving, speeding, passive safety, and road infrastructure; and

Whereas, City of Vaughan Council wishes to see change effected to Ontario’s driving laws under the Highway Traffic Act, R.S.O. 1990, c. H.8, with respect to newly licensed drivers; and

Whereas, Parachute, a Canadian charity, has launched a national awareness campaign to help educate Canadians on road safety and increase awareness on preventing serious and fatal injuries caused by motor vehicle accidents; and

Whereas, National Teen Driver Safety Week, hosted by Parachute and supported by many other Canadian jurisdictions, is a week dedicated to educating the youth about road safety and raise awareness of risks associated with driving to help prevent youth fatalities on the road across Canada.

It is therefore recommended:

1. That City of Vaughan Council request for the Ministry of Transportation of Ontario to undertake a review of the Highway Traffic Act, R.S.O. 1990, c. H.8 with respect to measures impacting newly licensed drivers, such as implementing additional training and penalty provisions, to achieve greater education, and awareness of road safety and increase accountability and responsibility of new and young drivers through the legislative framework; and
2. That City of Vaughan Council unanimously endorse National Teen Driver Safety Week, to be held October 17 to 23, 2021; and
3. That the City Clerk forward a copy of this resolution to the Premier, the Minister of Transportation, the Minister of Municipal Affairs and Housing, all municipalities in Ontario, the York Regional Police, the Ontario Safety League, the Ontario Association of Chiefs of Police, and Parachute.

 re: Renovictions**

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on November 8, 2021 supported the following resolution:

“WHEREAS safe and adequate housing is recognized as a fundamental human right by the Federal Government, whose effect as a major social determinant of health and wellbeing goes well beyond a basic requirement for shelter; and,

WHEREAS Kitchener’s housing situation has dramatically shifted since 2016, a Housing Needs Assessment demonstrating the average price for a house increased by 104% between 2009 to 2019, with the greatest increase since 2016, and rents increased by an average of 41%; and,

WHEREAS the City is experiencing a gap in the provision of housing, in particular the need for 450 units of supportive housing, over 5,000 units of community housing and 9,300 units of affordable rental housing to address the gaps in the existing supply; and,

WHEREAS the City of Kitchener has adopted “Housing for All – The City of Kitchener’s Housing Strategy” demonstrating a commitment to realizing the right to housing locally and addressing the housing crisis within the municipality; and,

WHEREAS landlords and investors are adding to the strain on the housing supply through the unscrupulous act of “Renovictions” by claiming they are completing major renovations and evicting and displacing existing tenants, and subsequently raising rents which affects those generally identified as lower income earners and their ability to find safe, adequate and affordable housing; and,

WHEREAS citizens and communities are hurt by these practices which can and does directly impact the housing and homelessness crisis, as well as inflict damage and trauma (both financially and mentally) particularly on our most vulnerable citizens;

THEREFORE IT BE RESOLVED that the City of Kitchener lobby the Province of Ontario to take additional and meaningful steps to address the ever-increasing problem of “Renovictions”;

THEREFORE IT FURTHER BE RESOLVED that the City of Kitchener urge all levels of government to collaborate in data sharing and collection related to renovations, specifically the impacts of renovations on tenancy;

THAT IT FINALLY BE RESOLVED that a copy of this motion be sent to the Association of Municipalities of Ontario, the Premier of Ontario, the Ministry of Municipal Affairs and housing, the Region of Waterloo and other Municipalities in Ontario for their consideration and possible endorsement.”

AB: No issues

TAKE NOTICE that the Council of the Corporation of the Municipality of Central Elgin passed By-law No. 2651 on the 8th day of November, 2021 pursuant to Section 34(18) of the Planning Act, R.S.O. 1990 as amended.

The subject lands are located on the south side of Elm Line, west of Quaker Road, and have approximately 188.5 metres (618.43 feet) of frontage and are approximately 20.76 hectares (51.29 acres) in lot area (see Key Map). Municipally known as 45561 Elm Line, they may be legally described as Concession 7, North Part Lot 17, Municipality of Central Elgin.
