Municipal Councils of Ontario

Subject: The Retention of Professional Engineers at Ontario Municipalities

The purpose of this letter is to stress the importance that municipal engineers play in the successful operation of cities, counties, towns, and townships across Ontario.

The Municipal Engineers Association (MEA) is a non-profit association representing the municipal engineering field in Ontario. We have a membership base of over 1,000 municipal engineers across Ontario who are employed as professional engineers at Ontario municipalities and other provincial agencies serving in the engineering/public works field.

We advocate for sustainable municipal infrastructure practices and our members provide significant input into the development of processes, standards, and specifications for use in municipal infrastructure systems such as drinking water delivery, wastewater collection and treatment, storm water management, waste management and transportation systems.

The MEA has been the proponent for the *Municipal Class Environmental Assessment* process since the mid-1980s. We are also a co-proponent of *Ontario Provincial Standards & Specifications* that many Ontario municipalities use when planning for and tendering municipal engineering projects.

There are a number of examples in various current legislation, where the use of a professional engineer is referenced. Key tasks include roles in transportation, natural resources, health and safety, consumer services, environment, tourism, agriculture, climate change, and energy. It is essential that municipalities consider the appointment of professional engineers, especially within the areas of engineering and public works, to afford municipal councils the appropriate due diligence toward public safety. Unfortunately, we are observing a concerning trend where this is no longer the case.

Professional engineers, through education and practical experience requirements, have the knowledge and foresight to not only understand the 'how' of an issue, but also understand the 'why' behind issues as well. Professional engineers are licensed to practice in Ontario through the *Professional Engineers Act* and are bound by statutory accountabilities, which includes a code of ethics. Under this code, professional engineers are required to act at all times with fidelity to public needs; professional engineers regard their duty to public welfare and safety as paramount.

Professional engineers also provide significant value to municipalities through their understanding of risk management, which assists in lowering exposure to claims against a municipality. With insurance premiums rising every year, it is prudent that municipalities appoint a professional engineer to guide these decision-making processes.

As of December 31, 2019, there were 57,134 practicing professional engineers licensed and practicing in the Province of Ontario. Of this number, only 136 professional engineers work for municipalities with a population of 50,000 or less. This represents only 0.2% of licensed and practicing Ontario Professional Engineers being employed by Ontario municipalities serving populations of less than 50,000. Many of these smaller municipalities have a Public Works/Engineering Department head and would benefit by appointing a Professional Engineer.

The vast majority of professional engineers working at Ontario municipalities are employed by larger urban centres having a population greater than 50,000.

For smaller municipalities that do not have the financial resources to employ a full-time professional engineer on their staff, the MEA recommends the appointment of a professional engineer through a licensed consulting firm so that your municipality may meet the needs only a professional engineer can provide.

We would also like to take this opportunity to promote membership in the MEA. There are Ontario municipalities that currently do not have representation in the MEA. If you have a professional engineer(s) on staff and they are not MEA members, we encourage your municipality to have them apply. The MEA offers members access to knowledge, learning and the ability to stay up to date with current industry practices. It truly is great value for a very nominal fee.

On behalf of the MEA, we thank you for taking time to review this letter. Should you have any questions, please reach out to the MEA's Executive Director, Dan Cozzi, P. Eng. at dan.cozzi@municipalengineers.on.ca.

Yours sincerely,

Jason Cole, P. Eng.,
MEA President 2021 - 2022

Elgin County Council Highlights

Council Receives Population Housing and Employment Forecasts and Associated Needs Analysis

Elgin County's Official Plan update is currently underway and to support this update, Hemson Consulting has been updating long-range growth outlooks including: Growth forecasts to 2046 and 2051 and a Lands Needs Assessment. The report finds that there has been increased population growth in Elgin since 2016. This growth is concentrated in Central Elgin, Bayham, Malahide and Aylmer, but growth pressures are widespread and present in all communities.

The full report is included in the June 28, 2022 County Council Agenda Package.

In this Issue

- Council Receives Population Housing and Employment Forecasts and Associated Needs Analysis
- Terrace Lodge Remains on Budget and On-Time with Tremendous Community Fundraising Support
- Human Resources Policy Updates
- Council Approves Updated Strategy for Economic Development and Tourism
- Traffic Signal Modernization – Contract Award
- Council Approves Draft Plan of Subdivision for Straffordville

Terrace Lodge Remains on Budget and On-Time with Tremendous Community Fundraising Support

As the 2022 construction season enters its second half, Phase One of the Terrace Lodge Redevelopment Project is progressing in general conformity to the approved construction schedule, and at this time is on track to move to Phase Two in late 2022. A 4-week schedule delay experienced thus far in 2022 was predominantly the result of a Construction Labour Action by a number of trades throughout the Province, resulting in suspension of work for a number of trades. A detailed summary of construction progress achieved to this point of 2022 is as follows;

- January 2022 – Exterior sheathing installation, interior metal stud framing and door frame installation, roofing system installation progressing.
- February 2022 – Exterior window frame and glazing installation proceeding. Mechanical and electrical rough-in proceeding, receiving addition elevator shaft construction started.
- March 2021 – Exterior window frame and glazing installation continuing, mechanical and electrical rough-ins continuing, roofing system cap sheet installation progressing.
- April 2022 – Brick veneer installation (south wing), installation of air/vapour barrier (north wing), the start of drywall installation (North wing)
- May 2022 – Brick veneer installation ongoing, drywall ongoing, receiving area addition wall framing and sheathing completed.
- June 2022 – Exterior brick veneer and siding installation ongoing, drywall ongoing, receiving addition roof nearing completion.

The project can be followed on the communications website:
<https://engageelgin.ca/tlredevelopment>.

The Fundraising Committee continues to plan, coordinate, implement and evaluate its activities in support of the Comforts of Home fundraising campaign. This campaign is designed to enhance the Terrace Lodge Redevelopment Project with amenities that will provide a more home-like environment for the residents. \$288,741.00 has been donated towards the campaign to date. You can follow the progress as regular updates are made to the online catalogue at www.donatetoterracelodge.ca.

Human Resources Policy Updates

Mileage Policy

County Council approved the amended HR Policy 10.50 Mileage, adopting the Canadian Revenue Agency's recommended mileage rate of \$0.61 per kilometre. The County's previous rate of \$0.45 per kilometre had not been adjusted in over a decade.

Dress Code Policy

County Council also approved an amended HR Policy 2.20 Dress Code. Amendments focused on modernizing the existing code to be consistent with comparator trends, and equity, diversity and inclusion (EDI) requirements.

The Dress Code policy must support staff in safely and comfortably fulfilling the duties of their jobs. Given the diversity of position responsibilities across the organization, the dress code policy cannot be overly prescriptive, but must instead focus on overall corporate expectations, safety, and professionalism. Any references to gender-specific requirements have been removed or amended; ensuring Human Rights Code compliance and support for EDI.

Complete updated policies are included in the June 28, 2022 County Council Agenda Package.

Council Approves Updated Strategy for Economic Development and Tourism

Elgin County Council has approved a new Economic Development Strategy for 2022–2025. This strategy affirms the County's commitment to re-evaluate how it spends its time and resources so that Economic Development and Tourism can better support local entrepreneurs and foster an environment of opportunity for the County, its residents and businesses.

This Strategy will direct the efforts of the department over the next four (4) years, and staff will develop a detailed action plan to support the Strategy, which will include performance indicators, timelines, and required resources. The performance indicators will ensure that the priorities and actions outlined in the strategy meet the needs of the community. As staff engage with the community, they will review what they hear and improve the strategy to ensure that the County provides the best support possible to Local Municipal Partners and the business community.

The complete 2022–2025 Economic Development and Tourism Strategy is contained in the June 28, 2022 County Council Agenda Package.

Council Receives Affordable Housing Summary

As part of its 2022 Action Plan associated with the 2020–2022 Council Strategic Plan, Elgin County Council identified housing as one of its priorities for 2022. Council requested a summary of actions being taken by the County, its partners, and senior levels of government related to affordable housing. A summary report was presented to Council that included Federal Government Budget initiatives related to affordable housing, a summary of the Province of Ontario’s Bill 109, the More Homes for Everyone Act, and a list of housing initiatives currently being undertaken by Elgin County.

For the full summary please see the June 28, 2022 County Council Agenda Package.

Traffic Signal Modernization – Contract Award

County Council awarded the contract for Traffic Signal Modernization to Fortran Traffic Systems Inc. for a one-year term and authorized staff to extend the contract for an additional four (4) one-year terms, in accordance with section 7.6 of the Procurement Policy, subject to satisfactory performance during the initial one-year contract term, pricing and budget approval.

Council Approves Draft Plan of Subdivision for Straffordville

Elgin County Council granted draft plan approval to the Draft Plan of Subdivision proposed by CJD Engineering Ltd. File No. 34T-BY2101. The subject lands are located on lands known municipally as 8341 Sandytown Road in Straffordville approximately 100 m north of the intersection of Sandytown and Heritage Line in the community of Straffordville. The owner is requesting draft approval of a 5.9 ha plan of subdivision composed of 39 single-detached building lots to be developed in two phases (one phase of 13 lots, and the second phase of 26 lots), as well as a stormwater management block; a block containing a pumping station; and associated road widening.

Full details and conditions of approval are included in the June 28, 2022 County Council Agenda Package.

For the complete June 28, 2022 County Council Agenda Package please visit the Elgin County [website](#).

Aylmer, ON N5H 2C3

June 17, 2022

Re: County Road Speed and Traffic Counts – Ron McNeil Line

Dear Mayor Mennill,

At its meeting held on June 14, 2022 Elgin County Council passed the following resolution in response to the Township of Malahide's request:

"Moved by: Councillor Mennill
Seconded by: Councillor Giguère

RESOLVED THAT staff be directed to conduct a review of speed and traffic counts on Ron McNeil Line at the west village limit in support of extending the 50km/hr speed limit westerly beyond the built-up residential area.

-Carried."

A report regarding this review will be brought forward at a future County Council meeting and Council's decision will be communicated to the Township of Malahide thereafter.

Sincerely,

Brian Lima
General Manager of Engineering, Planning, & Enterprise (EPE) /Deputy CAO

To Whom it may concern:

Please be advised that Brantford City Council at its Special City Council meeting held May 17, 2022 adopted the following:

5.1 Release of all Federal and Provincial Documents Related to the Former Mohawk Institute Residential School

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 confirmed that Residential Schools were part of a coherent policy implemented by the Federal Government to eliminate Indigenous people as distinct Peoples and to assimilate them into Christian society against their will; and

WHEREAS the Deputy Minister of Indian Affairs Duncan Campbell Scott outlined the goals of that policy in 1920, when he told a parliamentary committee that “our object is to continue until there is not a single Indian in Canada that has not been absorbed into the body politic...”; and

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 also confirmed that despite the coercive measures that the government adopted, it failed to achieve its policy goals. Although Indigenous Peoples and cultures have been badly damaged, they continue to exist; and

WHEREAS the former Mohawk Institute Residential School operated from 1831 to 1970 within the boundaries of what is now the City of Brantford; and

WHEREAS Survivors have released statements of missing, murdered, and buried students; and

WHEREAS, to date, the unmarked burials of over 7000 missing Indigenous children have been discovered nation-wide; and

WHEREAS, following the May 2021 announcement by Tk'emlúps te Secwépemc First Nation of locating 215 potential burials of children in unmarked graves at the Kamloops Indian Residential School in British Columbia, the Survivors of the Mohawk Institute,

along with their families and community members called on the Federal and Provincial governments to support a search for the remains of missing children who may have been buried on the Mohawk Institute's grounds and the surrounding area; and

WHEREAS, as of November, 2021, a search, led by the Survivors' Secretariat, of the Mohawk Institute Residential School grounds and over 200 hectares of land associated with the school began; and

WHEREAS Survivors of the Mohawk Institute Residential School are demanding the release of all Federal and Provincial documents related to the former Mohawk Institute Residential School; and

WHEREAS staff of the City of Brantford are currently undertaking a search of City records and archives for any documents, maps, or other relevant information related to the operation of the Mohawk Institute Residential School in order to release this information to the Survivors' Secretariat to aid in the search for truth, justice and healing; and

WHEREAS this Council is committed to working to advance reconciliation and renewed relationships with First Nations; and

WHEREAS the Truth and Reconciliation Commission of Canada issued 94 Calls to Action, thirteen of which are directed at municipal governments;

NOW THEREFORE BE IT RESOLVED:

- A. THAT the Council of The Corporation of the City of Brantford respectfully REQUESTS THE IMMEDIATE RELEASE, to the Survivors' Secretariat, of all documents in the possession of the Government of Canada or the Government of Ontario and the Anglican Church related to the former Mohawk Institute Residential School now located on Six Nations of the Grand River Territory, within the geographic boundaries of the City of Brantford; and
- B. THAT the Clerk BE DIRECTED to send a copy of this resolution to: Prime Minister Justin Trudeau; Premier Doug Ford; Minister of Crown-Indigenous Relations Marc Miller; Minister of Indigenous Services, Patty Hajdu; Minister of Indigenous Affairs, Greg Rickford; Linda Nicholls, Primate of the Anglican Church of Canada; MPP Will Bouma; MP Larry Brock, Mayor David Bailey; Chief Mark Hill; Chief Stacey Laforme; and the Survivors' Secretariat; and
- C. THAT the Clerk BE DIRECTED to send a copy of this resolution to the Federation of Canadian Municipalities (FCM) and the Association of Municipalities Ontario (AMO) for circulation to all municipalities in Ontario with an invitation to adopt a similar resolution, and, specifically, to those located within the Haldimand Tract,

including: Haldimand County; the County of Brant; the City of Cambridge; the City of Kitchener; the City of Waterloo; and the Region of Waterloo.

I trust this information is of assistance.

Yours truly,

23
MUNICIPALITY OF CENTRAL ELGIN
NOTICE OF PASSING
CONCERNING PROPOSED ZONING BY-LAW AMENDMENT

*No
Concerns.
A. Betty June 21/
2022*

43315 Roberts Line

TAKE NOTICE that the Council of the Corporation of the Municipality of Central Elgin passed By-law No. 2716 on the 13th day of June, 2022 pursuant to Section 34(18) of the Planning Act, R.S.O. 1990 as amended.

The subject lands are located on the south side of Roberts Line, west of Fairview Road, and have approximately 459 metres (1,506 feet) of frontage and are approximately 52.5 hectares (132 acres) in lot area (see Key Map). Municipally known as 43315 Roberts Line, they may be legally described as Concession 2, North Part Lot 7, Municipality of Central Elgin.

The lands are subject to two concurrent Elgin County Land Division Committee applications (LDC Applications No. E25/22 and E26/22) as there are currently two residential dwellings on the property. Application No. E25/22 is requesting to sever a 0.38 hectare parcel of land, whereas the Application No. E26/22 is requesting a 0.42 hectare severance for two residences that are surplus to their farming operation as a result of separate farm consolidations.

The purpose of the zoning by-law amendment application is to rezone the subject lands to satisfy a condition required by the Municipality and the County of Elgin Land Division Committee. The effect of the application is that the retained lands are restricted to farm and accessory uses and would be prohibited from constructing a dwelling. Further, the two severed parcels of land would be restricted to a rural residential use home occupations and accessory uses. This is a general requirement for any residence surplus to a farming operation consent application within a prime agricultural area.

In coming to its decision, Council considered the planning report prepared by staff. There were no written submissions, and no one appeared at the public meeting to speak to this matter.

AND TAKE NOTICE that any person or public body may appeal to the Ontario Land Tribunal with respect to the By-law by filing with the Clerk of the Corporation of the Municipality of Central Elgin, not later than the 8th day of July, 2022 a notice of appeal, setting out the reasons for the appeal, and must be accompanied by the fee required by the Tribunal.

Only individuals, corporations and public bodies may appeal a by-law to the Ontario Land Tribunal. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or group on its behalf.

No person or public body shall be added as a party to the hearing of the appeal unless, before the by-law was passed, the person or public body made oral submissions at a public meeting or written submission to the council or, in the opinion of the Ontario Land Tribunal, there are reasonable grounds to add the person or public body as a party.

The complete By-law is available for inspection daily, from Monday to Friday, during regular office hours, at the Clerk's Office.

ADDITIONAL INFORMATION relating to the proposed Zoning By-law Amendment is available for inspection daily, Monday to Friday, 9:00 A.M. to 4:00 P.M. at the Municipal Offices and at the Central Elgin Planning Office, 9 Mondamin Street, St. Thomas.
