---

The Malahide Township Council met via videoconference. The Clerk, Allison Adams was present in the Township Office, 87 John Street South, Aylmer, Ontario.

Due to COVID-19 and public health concerns, public attendance was not permitted at this meeting. The Mayor and other Members of Council participated remotely.

The following members were present:

**Council Members via Videoconference:** Mayor D. Mennill, Deputy Mayor D. Giguère, Councillor M. Widner, Councillor M. Moore, Councillor S. Lewis and Councillor C. Glinski.

**Staff via Videoconference:** Chief Administrative Officer A. Betteridge, Clerk A. Adams, Director of Financial Services A. Boylan, Director of Fire & Emergency Services J. Spoor, Director of Public Works M. Sweetland, Manager of IT C. Coxen,

**Absent:** Councillor R. Cerna

### **CALL TO ORDER:**

Mayor Mennill took the Chair and called the meeting to order at 7:30 p.m.

### **DISCLOSURE OF PECUNIARY INTEREST and the General Nature thereof:**

None

### **MINUTES:**

**No. 22-50**

**Moved by: Scott Lewis**

**Seconded by: Mark Widner**

**THAT the minutes of the regular meeting of the Council held on January 20, 2022 as amended, be adopted as printed and circulated.**

**Carried**

**REPORTS:**Director of Fire & Emergency Services

- Emergency Services Activity Report – December

Councillor Widner inquired about the alarm malfunction calls being received and if they pertain to businesses or homes. Director of Fire Services Spoor advised that these alarm malfunction calls are from new home builds that have defective pre-wired smoke detectors.

**No. 22-51**

**Moved by: Max Moore**

**Seconded by: Dominique Giguère**

**THAT Report No. F22-01 entitled “Emergency Services Activity Report – December” be received.**

**Carried**

- Malahide Fire and Emergency Services - 2021 Year End Report

Deputy Mayor Giguère inquired about the variances when looking at the number of hours per incident versus being on scene. The average cost per incident is significantly more being almost double over the last two years and wondering what the explanation for this may be. Director of Fire Services Spoor stated that there may be less calls but the value of points has increased. He indicated that with the merger of the North stations there was additional training required and these training points would have also increased these numbers. Mr. Spoor indicated he would further review and provide further explanation.

**No. 22-52**

**Moved by: Chester Glinski**

**Seconded by: Scott Lewis**

**THAT Report No. F22-02 entitled “Malahide Fire and Emergency Services – 2021 Year End Report” be received.**

**Carried**

- Appointment of District Chief and District Deputy Chief 2022

**No. 22-53**

**Moved by: Max Moore**

**Seconded by: Scott Lewis**

**THAT Report No. F22-03 entitled “Appointment of District Chief and District Deputy Chief 2022” be received.**

**AND THAT Ryan DeSutter be appointed as the District Chief for the North Station response area and Jason Brown be appointed as the District Deputy Chief for South Station, each for a term of 4 years expiring on December 31, 2025.**

**Carried**

Director of Public Works

- 2022 Priority Capital Projects

Deputy Mayor Giguère inquired if there was a drainage solution for the Port Bruce Pier parking lot. Director of Public Works Sweetland indicated that in the 2021 budget an engineer was approved for to correct the drainage issue by undergoing grading work and a hard surface treatment solution.

Mayor Mennill inquired if there is a backflow if the water in the channel is high so it doesn't go back up through the catch basin. Director Sweetland indicated the catchbasin is not for wave cresting action but for road drainage and any water that would crest the pier would recede back over the pier. There is no outlet at that catchbasin. A dry well catchbasin will slowly allow the water to infiltrate away.

Councillor Widner inquired if the road was going to be raised. Director Sweetland indicated that a portion adjacent to the parking area would be raised a minor amount. Councillor Widner further inquired if there would be any problems with paving this area and the potential of ice breaking equipment breaking it. Director Sweetland that scenario had been considered in the design and will not affect it.

Councillor Glinski inquired what the capacity would be if the catchbasin doesn't have an outlet and only gravel in bottom. Director Sweetland indicated this can be a problem with this type of catchbasin if a significant rain event occurred but it is an effective solution in the long term. Councillor Glinski inquired if putting a gravel area like those used for farmland would have a greater capacity than this catchbasin. Director Sweetland indicated that given the restricted area that this is the preferred solution in this transient area.

**No. 22-54**

**Moved by: Dominique Giguère**

**Seconded by: Scott Lewis**

**THAT Report No. PW-22-12 entitled “Priority Capital Projects” be received;**

**AND THAT the Pressey Line Reconstruction Project, in the budget amount of \$550,000, be included in the 2022 Capital Budget;**

**AND THAT the Pier Parking Lot Construction and Drainage Works Project, in the budget amount of \$125,000, be included in the 2022 Capital Budget;**

**AND THAT the Studies – Ontario Structure Inspection Manual Bridge Review Project, in the budget amount of \$40,000, be included in the 2022 Capital Budget; AND THAT the Studies – Carter Road Bridge Rehabilitation Design Project, in the budget amount of \$25,000, be included in the 2022 Capital Budget;**

**AND THAT the Studies – Phase 3 Road Safety Audit, in the budget amount of \$30,000, be included in the 2022 Capital Budget;**

**AND THAT, notwithstanding that the remainder of the 2022 Budget has not yet been approved, the Municipal Council be requested to approve the following projects for completion in 2022: Pressey Line Reconstruction Project, the Pier Parking Lot Construction and Drainage Works Project, the Studies – Ontario Structure Inspection Manual Bridge Review Project, the Studies – Carter Road Bridge Rehabilitation Design Project, and the Studies - Phase 3 Road Safety Audit Project;**

**AND THAT, the Municipal Staff be authorized and directed to proceed with the initiation of the following projects so that such projects can be pre-planned, tendered, and completed on time and within budget: Pressey Line Reconstruction Project, the Pier Parking Lot Construction and Drainage Works Project, the Studies – Ontario Structure Inspection Manual Bridge Review Project, the Studies – Carter Road Bridge Rehabilitation Design Project, and the Studies - Phase 3 Road Safety Audit Project.**

**Carried**

- Request to Reserve 2021 Allocation for Outstanding Projects

**No. 22-55**

**Moved by: Max Moore**

**Seconded by: Mark Widner**

**THAT Report No. PW-22-13 entitled “Request to Reserve 2021 Allocation for Outstanding Projects” be received;**

**AND THAT the Director of Finance/Treasurer be authorized to reserve \$195,339.00 from the unspent 2021 Public Works Operating Budget allocation for the completion of outstanding Projects in 2022.**

**Carried**

- Amend Conditions for Application for Consent to Sever No. E52-21 of John Loewen & David

Councillor Glinski inquired if the blue line on the report map was an old road allowance intended to continue Woolleyville Line to Glencolin Line. CAO Betteridge stated that this was not the case and that it could have been a field access created through a previous severance.

Councillor Widner inquired if there are two separate businesses one on Woolleyville Line and one on Glencolin Line. CAO Betteridge indicated that this was his understanding.

Councillor Widner inquired why they are zoned differently. CAO Betteridge indicated that they are on two separate properties having two zoning designations. The business on Glencolin Line has commenced without getting the necessary zoning approvals and a condition for consent to rectify this has been addressed and the necessary applications are being acquired.

Councillor Glinski inquired where the locations of these businesses were. CAO Betteridge clarified the property locations of the sites in question with reference to the report map.

**No. 22-56**

**Moved by: Chester Glinski**

**Seconded by: Scott Lewis**

**THAT Report No. DS-22-06 entitled “Amend Conditions for Application for Consent to Sever No. E52-21 of John Loewen & David Loewen” be received;**

**AND THAT this report and the condition to be added as noted be forwarded to the Land Division Committee for its review and consideration:**

**“That the applicants initiate and assume all planning costs associated with the necessary planning applications for the existing transport truck and/or auto repair business operating on the subject lands (known locally as 51432 Woolleyville Line), specifically an amendment to the Township of Malahide Zoning By-law and Site Plan Control, with such cost to be paid in full to the Township and that the required processes be successfully completed prior to the condition being deemed fulfilled, or, that a zoning compliance certificate has been obtained from the Township of Malahide Chief Building Official for above-noted business confirming that the business is in compliance with the Township of Malahide Zoning By-law.”**

**Carried**

### Fire Events Loss/Save, Fire Prevention, and Fire Safety Inspections

There were two structure fires with a combined estimated total dollar loss of \$5,500.00, and a total estimated dollar saved of \$370,500.00.

This month's fire safety message was "Crawl low in smoke, close all doors behind you".

Fire Prevention Staff had no activities for fire prevention instruction or public education.

For this month the Staff conducted no inspections. No inspection orders for non-compliance were issued.

### Ontario Police College ("OPC")

To date the Staff have not trained any Police Cadets. The current agreement with the OPC is that it will reimburse Malahide Fire Service \$2,000.00 per session, as well as cover the cost of any equipment that is damaged during any presentation.

The next training session at OPC has not been scheduled.

In the below bar graph, the total number of cadets trained per year is shown in red, and the amount invoiced to the OPC is shown in green:

## Report to Council

---

**REPORT NO.:** F-22-05  
**DATE:** February 17, 2022  
**ATTACHMENT:** Tillsonburg Fire Service Agreement for Dispatching Elgin County  
**SUBJECT:** FIRE COMMUNICATION AGREEMENT

---

### **Recommendation:**

**THAT Report No. F-22-05 entitled “Fire Communication Agreement” be received.**

**AND THAT the Township of Malahide Council authorize the signing of the Tillsonburg Fire Service Agreement for Dispatching Elgin County.**

### **Background:**

By report F21-17 dated December 16, 2021 Malahide Council authorized the execution of the Fire Communication Support System Agreement, which relates to the equipment used for communications relative to all fire departments in Elgin County jointly. This Support System Agreement is with Bearcom Communications and expires on December 31, 2026

The Elgin municipalities also have an agreement with Tillsonburg Fire Services for dispatch services which expired on January 22, 2022; such agreement is the subject of this report.

### **Comments/Analysis:**

The Dispatch Agreement has been in effect since 2007 and contains a clause that the cost of service is based on a per person rate of \$4.24 per person. It is agreed that the charges will increase (or decrease) based on the current population and the CPI.

The Canadian Radio-Television and Telecommunications Commission (“CRTC”) has mandated that all communication centers update their communications equipment for the Next Generation of 9-1-1 (NG 911). Although the expected commencement date for these upgrades has been pushed back for several reasons, the Next Generation will allow for more services, GIS tracking, calling 9-1-1 by text and forwarding pictures to the communications center.

Tillsonburg Fire Services (“TFS”) is looking at leveling the costs between the different agencies they provide services to. The County of Elgin had enrolled with TFS in the earlier stages when there were not as many departments to share the costs. The fact that TFS is now providing this service to more organizations is resulting in an overall decrease to the rate of \$3.94 per person. Although an additional charge of \$.25 (cents) to support the new NG 9-1-1 is anticipated, we are pleased to have received notification from TFS that it has received funding under the “Municipal Modernization Program” to apply to a reduction of up to 65% of the total eligible costs.

The end result, depending on the reduction applied under the Municipal Modernization Program will be an overall rate of \$4.19 per person for Elgin municipalities going forward which is a slight decrease from the previous rate.

#### **Financial Implications to Budget:**

As there is no significant change, either an increase or decrease in the anticipated cost of the service provided, the only change that will occur is that TFS is currently calculating our population based on 2011 census data and will switch to 2021 in the near future. This will increase our cost from 2011 data of 9,146 residents to the 2021 amount of 9,308 residents.

#### **Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that support the “Our Community” Strategic Pillar relates to “Keep Our Community Safe”. By undertaking a long-range strategy in consultation with the appropriate emergency services authorities, and securing agreements for resources, the Township is optimizing the provision of emergency services in Our Community.

**Fire Dispatch Services Agreement**

**THIS AGREEMENT** made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_

**BETWEEN:**

**THE CORPORATION OF THE TOWN OF TILLSONBURG**

(the “**Town of Tillsonburg**”)

-and-

**THE MUNICIPALITY OF \_\_\_\_\_**

(the “**Municipality**”)

**WHEREAS:**

1. Pursuant to the provisions of the *Municipal Act*, S.O. 2001, S.O. 2001, c. 25, as amended, the parties have enacted By-laws to authorize an agreement between the parties;
2. The *Fire Protection and Prevention Act*, S.O. 1997, c. 4, as amended, authorizes a municipality to provide and/or receive fire protection services to or from other municipalities;
3. The Town of Tillsonburg operates fire protection services and holds fire protection assets including fire communications personnel and equipment suitable to meet municipal responsibilities required by the *Fire Protection and Prevention Act*, through a fire department situated within the Town of Tillsonburg;
4. The Town of Tillsonburg has agreed to provide such Fire Communications services to the Municipality

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties agree as follows:

**Services Provided:**

1. The Town of Tillsonburg shall supply fire communications services to the Municipality the particulars of which are as described in Schedule “A” to this agreement. The Municipality shall meet its obligations described in the same Schedule “A”.
2. The fire communications services provided by the Town of Tillsonburg shall comply with the Standard Operating Guidelines, which regulate the operation and maintenance of the Tillsonburg Fire & Rescue Services Fire Communications.

**Consideration:**

3. The Municipality shall pay fees to the Town of Tillsonburg as described in Schedule “B” to this agreement.

**Term:**

4. This agreement shall remain effective for a period of five (5) years from the date of signature, unless terminated sooner pursuant to the provisions of this agreement. If not terminated or expressly renewed in writing or supplanted by a succeeding agreement, this agreement shall be deemed to have been automatically renewed for a period of indefinite duration of annual fees to be set in accordance with this Agreement unless and until one of the parties provides written notice of termination as contemplated in this agreement.
5. Notwithstanding the provisions of the preceding paragraph, either of the parties may withdraw from this agreement upon providing six months' written notice to the other party. Any monies owing to the Town of Tillsonburg, and not paid, shall be paid to the Town of Tillsonburg prior to the date of termination.

**Service Commencement Date:**

6. The Town of Tillsonburg shall provide fire communications services in accordance with this agreement effective on January 01, 2022.

**Indemnity and Limitation of Liability:**

7. **Indemnity:** Each party (the "**Indemnifying Party**") agrees to indemnify and save the other party (the "**Indemnified Party**") harmless, along with their respective councillors, officers, employees and agents from any liability, action, claim, loss, damage, payment, cost, fine, fine surcharge, recovery or expense, including assessable legal fees arising out of the performance of the Indemnifying Party's obligations under this agreement, save and except in respect of any liability, action, claim, loss, damage, payment, cost, fine, fine surcharge, recovery or expense, including assessable legal fees, directly attributable to, arising from, or caused by the negligence or breach of contractual obligation hereunder by the Indemnified Party.
8. **Force Majeure:** Notwithstanding that set forth in the preceding paragraph, the parties agree that no party or parties shall be held responsible for damages caused by delay or failure to perform its or their undertakings under the terms of the agreement when the delay or failure is due to fires, strikes, floods, acts of God or the Queen's enemies, lawful acts of public authorities, or delays or defaults caused by common carriers which cannot reasonably be foreseen or provided against.
9. **Limitation of Liability:** Notwithstanding any other provision in this contract or any applicable statutory provisions, neither party shall be liable to the other party for special or consequential damages or damages for loss of use arising directly or indirectly from any breach of this contract, fundamental or otherwise, or from any tortious acts or omissions of their respective employees or agents, save and except when such damages or losses are directly attributable to, arise from, or are caused by the breach of contractual obligation, fundamental or otherwise, or from any tortious acts, including negligence, by such party, including its or their respective employees or agents. Without limiting the generality of the foregoing, the parties specifically agree that the Town of Tillsonburg shall not be liable for any damages arising as a result of any injury or damage caused or sustained by personnel, apparatus, or equipment of the fire department of the Municipality while engaged in the provision of fire protection services. Nothing in this provision shall be interpreted to affect or interfere with the right of any of the parties to take action to enforce the terms of this agreement.

10. **Right to Enforcement:** The parties hereto agree that no provision herein, or any part thereof, shall be interpreted or act so as to affect, restrict, prohibit, or interfere with the right of any party hereto, either individually or in combination, to demand or otherwise take action or commence proceedings to enforce the terms of this agreement.
11. **Insurance:** The Municipality shall obtain and maintain throughout the term, including any and all renewal periods, insurance coverage to a minimum of \$5,000,000.00, with a clause naming the Town of Tillsonburg as an additional named insured, against all claims for public liability and property damage which may arise in respect of providing or failing to provide fire dispatch services to the Municipality or from this agreement. The policy shall insure each person, firm or corporation insured hereunder in the same manner and to the same extent as if a separate policy had been issued to each. A certified copy of the insurance shall be delivered to the Town of Tillsonburg's Clerk upon execution of this agreement and copies of any and all renewals shall forthwith be provided to the Town of Tillsonburg. The insurance shall not be cancelled or changed without first giving the Town of Tillsonburg a minimum of 30 days' prior written notice.
12. **Existing Service:** The parties agree the same dispatch system will be used for providing fire dispatch services to the Municipality as are used by and for the Town of Tillsonburg. The Municipality acknowledges and agrees that there is no obligation or requirement of any kind for the Town of Tillsonburg to acquire, use or implement any equipment, technology, information (including mapping data), training, or procedures of any kind whatsoever for the purposes of providing the fire dispatch services under this agreement.
13. **Response to Calls:** The Municipality acknowledges and agrees that nothing in this agreement requires or intends that the Town of Tillsonburg shall physically respond to any call directed or paged to the Municipality's Fire Department and further acknowledges and agrees that the Town of Tillsonburg shall not be responsible for any failure of the Municipality to receive any 911 calls for any reason whatsoever which were directed to Tillsonburg Fire and Rescue and paged by Tillsonburg Fire and Rescue to the Municipality's Fire Department, or for any failure by the Municipality to respond to or to improperly respond to any such 911 calls.
14. **Compliance With Laws and Confidentiality:** The parties undertake and agree that personal information in records delivered to it by the other party will be used for the limited purposes of performing their responsibilities under this agreement. The parties further acknowledge that any personal information obtained from the other party for the agreement will be protected under the terms of their privacy policies and applicable privacy legislation, including the *Municipal Freedom of Information and Protection of Privacy Act*, R.S.O. 1990, c. M.56, as amended.

**Amendment:**

15. The parties may amend this agreement from time to time by further written memorandum.
16. Should any of the parties wish to amend the terms of this agreement, it shall provide a minimum of thirty days written notice to the other party of the proposed terms of amendment.

**Dispute Resolution:**

17. In the event that a dispute arises or disputes arise between the parties which cannot be resolved, the parties shall submit the dispute or disputes to arbitration using the procedure set out in the *Municipal Arbitrations Act*, R.S.O. 1990, c. M-48, as amended.
18. In the event that a dispute or disputes is submitted for arbitration, the decision or decisions of the arbitrator shall be final and binding upon the parties to this agreement.
19. In the event that arbitration cannot be conducted using the procedure set out in the *Municipal Arbitrations Act*, the parties shall select a single arbitrator, and in the absence of agreement on an arbitrator, the arbitrator shall be nominated by a justice of the Superior Court of Justice of the Ontario Courts under the procedure set out in the *Arbitration Act*, S.O. 1991, c. 17, as amended.

**General Provisions:**

20. This agreement is not assignable without the written consent of the parties. Any attempt to assign any of the rights, duties or obligations of this agreement without written consent is void.
21. This agreement shall not be in force, or bind any of the parties, until executed by all the parties named in it.
22. This agreement shall take effect upon its execution by the authorized representative or representatives of the Town of Tillsonburg and the Municipality.
23. Any notice under this agreement shall be sufficiently given by personal delivery or by registered letter, postage prepaid and mailed in a Canadian post office, addressed, in the case of notice to the Town of Tillsonburg, to the municipal offices of the Corporation of the Town of Tillsonburg and, in the case of notice to the Municipality, to the respective municipal office of the Municipality, or to any other address as may be designated in writing by the parties, and the date of receipt of any notice by mailing shall be deemed conclusively to be ten days after the mailing.
24. No change or modification of this agreement (including the schedules to this agreement) shall be valid unless it be in writing and signed by each party.
25. The Town of Tillsonburg and the Municipality agree that no representation, statement or agreement, other than those set out in this agreement, shall be binding upon the parties unless expressed in writing, signed by an authorized representative or by authorized representatives of each and purporting to be expressed in modification of this agreement.
26. The parties agree that each of them shall, upon reasonable written request of the other, do or cause to be done all further lawful acts, deeds and assurances whatever for the better performance of the terms and conditions of this agreement.
27. It is intended that all provisions of this agreement shall be fully binding and effective between the parties, but in the event that any particular provision or provisions or a part of one is found to be void, voidable or unenforceable for any reason whatever, then the particular provision or provisions or part of the provision shall be deemed severed from the remainder of this agreement and all other provisions shall remain in full force.
28. This agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.

29. Subject to the restrictions on transfer and assignment, this agreement shall endure to the benefit of and be binding on the parties and their respective successors and assigns.

IN WITNESS WHEREOF the parties hereto have affixed their Corporate Seals attested by the hands of their proper officers and further this agreement shall be signed in counterpart with the parties named below and a copy of each counterpart shall remain attached to and form part of this agreement.

**SCHEDULE A**

The Town of Tillsonburg shall provide the following services and facilities:

1. A 24 hour, seven days a week, 365 days a year answering service, alert paging service and base radio communications dispatch service fully integrated with a Computer Aided Dispatch (CAD) system.
2. A base station manufactured and installed to industry standards complete with the Municipality Fire Department Dispatch frequency. The Town of Tillsonburg shall operate and maintain these services and facilities from two primary public safety communications consoles located in a municipally owned building at 80 Concession Street, East, Tillsonburg. The building shall be equipped with an automatic transfer emergency generator. In the event of system maintenance and/or upgrades, all parties affected shall be granted twenty-four hours prior notification.
3. An emergency (third) backup base station manufactured and installed to industry standards complete with the Municipality Fire Department Dispatch frequency. The Town of Tillsonburg shall operate and maintain these services and facilities from a public safety communications console located in a municipally owned building at 10 Lisgar Ave, Tillsonburg. The building shall be equipped with an automatic transfer emergency generator. In the event of system maintenance and/or upgrades all parties affected shall be granted twenty-four hours prior notification.
4. Answering, alerting and radio communications dispatch equipment shall be staffed continuously by personnel trained to the core competencies outlined in Ontario Fire Service Communicators Standard and the National Fire Protection Association (NFPA) *1061 Standard for Professional Qualifications for Public Safety Telecommunicators*.
5. Transmission of information shall be seamless from when the information is received from the Public Safety Answering Point (PSAP) until the time an emergency is terminated by the Incident Commander and shall be provided in accordance with the time targets specified within NFPA 1221. Seamless is defined to mean without interruption and continuously from the initial call until the satisfactory resolution of the incident.
6. All emergency incident information shall be logged on the CAD system by the communicator and all telecommunications shall be captured on a digital voice recorder. At the completion of the event a detailed incident report shall be collated and forwarded to the Municipality Fire Department via email or other means as arranged between the parties within four hours of termination of command. All audio transmissions shall be recorded from licensed dispatch channels and dedicated phone lines and shall be available to the Municipality Fire Department upon request as arranged between the parties. Recordings shall be made on non-interruptible, non-erasable media. All records including digital voice recordings shall be maintained for a period of two years.
7. Upon the request of the Incident Commander for any additional resources or to relay emergent messaging to other persons, the fire communicator shall relay such requests in a prioritized fashion via telecommunications equipment and shall report confirmation of same to the Incident Commander.
8. Testing of paging system equipment shall be provided as arranged by the parties.

The Municipality Fire Department shall provide the following without cost to the Town of Tillsonburg:

- a. All GIS mapping for its protection area / response zone boundaries.
- b. All radio transmitting and receiving equipment, licensing and maintenance of same external to the boundary of the Town of Tillsonburg.
- c. Routing of Emergency 911 telecommunications from the Public Safety Answering Point (PSAP) and the Central Ambulance Communications Center (CACC) as required to meet the approved fire protection services provided by the Municipality for its fire protection area / response zone boundaries inclusive of all required ANI/ALI, GIS mapping and all site location information so that it is seamlessly transmitted to the Secondary Public Safety Answering Point (SPSAP) serving the Tillsonburg \_ Fire Communications Division.
- d. The Municipality agrees that it will at all times indemnify and save harmless the Town of Tillsonburg, its employees, officers, servants, agents and assigns, including the members of the Town of Tillsonburg's Fire and Rescue Services Department, from any and all claims, actions suits or demands for damage or otherwise arising from any errors, modifications or inaccuracies in the CAD Mapping, or from any misuse, misinterpretation or misapplication thereof, whether or not due to the negligence of the Town of Tillsonburg, its employees, officers, servants, agents or assigns.

**SCHEDULE B**  
**FEES TO BE PAID BY THE MUNICIPALITY TO THE TOWN OF TILLSONBURG**

1. The Fee Structure contained within this agreement is predicated upon the contractual participation of the Municipality for a period of not less than five (5) years starting January 1, 2022.
2. For dispatching, Municipality shall pay to the Town of Tillsonburg, semi-annually, as invoiced by the Town of Tillsonburg, a per capita rate (the “**Rate**”), excluding HST, for the entire Dispatch Area. The Rate applies to all citizens protected by the Municipality’s Fire Department, or under any agreement with other municipal fire departments. For purposes of this agreement, the number of citizens protected by the Municipality’s Fire Department will be the Municipality’s population as determined by the most recent census by Statistics Canada. The Rate payable each year of the Term of this agreement shall be:

|      |        |
|------|--------|
| 2022 | \$3.94 |
| 2023 | \$3.94 |
| 2024 | \$3.94 |
| 2025 | \$3.94 |
| 2026 | \$3.94 |

3. The Municipality shall be responsible for its proportionate share of future capital costs relating to the Town of Tillsonburg’s provision of fire dispatch services, including (without limitation) in relation to 911 and Next-Generation-911 systems. The Municipality’s proportionate share of such costs shall be calculated as the percentage that the Municipality’s population comprises within the total population served by the Town of Tillsonburg’s fire dispatch services, when such costs are incurred (according to the most recent Statistics Canada census). The per capita contribution payable by the Municipality during the Term of his agreement, to be adjusted by the Town of Tillsonburg on confirmation of on actual costs, is as follows:

|      |   |
|------|---|
| 2022 | \$ .25  |
| 2023 | \$ .25  |
| 2024 | \$ .25 (Total proportional 911 infrastructure costs reconciled) |
| 2025 | \$ .25  |
| 2026 | \$ .25  |

4. Total annual per capita fees with NG-911 recovery costs over 5 years:

|      |                          |
|------|--------------------------|
| 2022 | \$3.94 + \$ .25 = \$4.19 |
| 2023 | \$3.94 + \$ .25 = \$4.19 |
| 2024 | \$3.94 + \$ .25 = \$4.19 |
| 2025 | \$3.94 + \$ .25 = \$4.19 |
| 2026 | \$3.94 + \$ .25 = \$4.19 |

Once total repayment of NG-911 infrastructure costs occurs in 2026 the additional \$.25 per capita NG-911 costs will no longer be applied.

5. If the population of the Municipality more than doubles seasonally, based on information deemed reliable by the Town of Tillsonburg acting reasonably, an additional per capita fee on the difference from year-round to seasonal population will be added for the agreed upon months yearly. The Municipality shall provide the Town of Tillsonburg such reasonable information as the Town of Tillsonburg requires to confirm seasonal population changes no later than sixty (60) days prior to the end of each year of the Term or subsequent years following expiry of the Term, if applicable. The per capita rate payable for season population increases in each year of the Term of this agreement shall be:

|      |        |
|------|--------|
| 2022 | \$0.69 |
| 2023 | \$0.72 |
| 2024 | \$0.75 |
| 2025 | \$0.78 |
| 2026 | \$0.81 |

6. Municipality shall tender payment to the Town of Tillsonburg in semiannual installments, to be invoiced by the Town of Tillsonburg two (2) times in April and August of each year in to the Municipality.
7. The Town of Tillsonburg shall review the population of the Municipality on an annual basis and shall correspondingly increase the total amount owing by the Municipality based on the Seasonal Increase Rate payable in each year. The Municipality shall provide to the Town of Tillsonburg such reasonable information as may be required by the Town of Tillsonburg in order to determine the population on an annual basis.
8. The Municipality shall pay the dispatching fees within thirty days of receipt of the invoice. Interest at the rate of one and one-half percent (1.5%) per month, calculated monthly and payable monthly (effective interest rate of 19.56% per annum), shall accrue on past due accounts.
9. If the agreement continues following expiry of the Term, then the Rate shall be increased by the Town of Tillsonburg for each subsequent year following expiry of the Term at the Town of Tillsonburg’s sole and unfettered discretion, provided that the Town of Tillsonburg gives notice in writing to the Municipality no later than August 31st of each year following expiry of the Term of the increase to the Rate.

**Additional Fees**

10. The Municipality shall be responsible for all charges and costs billed to the Town of Tillsonburg directly from Bell Canada or other parties which are properly attributable to Municipality. The Town of Tillsonburg shall identify and forward to Municipality invoices with respect to same which shall be paid by the Municipality forthwith upon receipt thereof.
11. The Municipality shall pay any labour costs incurred by the Town of Tillsonburg with respect to any Town of Tillsonburg employees who are summoned to give evidence at any inquest, hearing, court case, etc., associated with the dispatching process set out in this agreement.
12. If the Municipality uses a different radio maintenance vendor from the Town of Tillsonburg’s radio maintenance vendor, then the Municipality shall pay all invoices, charges and costs incurred by the Town of Tillsonburg as a result of failures in the Municipality’s radio equipment.

13. Notwithstanding all of the foregoing, if the Town of Tillsonburg should ever, in the proper provision of the fire dispatch services to the Municipality, be required to make any special expenditures beyond the usual operating expenditures, which expenditures cannot be recovered otherwise, then the Town of Tillsonburg may add such expenditures to the fees provided for in this agreement.

## Report to Council

---

**REPORT NO.:** PW-22-10  
**DATE:** March 3, 2022  
**ATTACHMENT:** Petition  
**SUBJECT:** PETITION FOR DRAINAGE – GIESBRECHT

---

### **Recommendation:**

**THAT Report No. PW-22-10 entitled “Petition for Drainage – Giesbrecht” be received;**

**AND THAT George Vereyken, P. Eng., of Spriet Associates Ltd., be appointed to prepare an Engineer’s Report for the Giesbrecht Petition.**

### **Background:**

The Township of Malahide has received a request (petition attached) for drainage. The petition is to construct a new branch drain. The drain is required as a condition of severance to provide the development with a legal and adequate outlet. This is a typical severance requirement.

The landowner, Anna Giesbrecht, has petitioned the Township to have a new drain constructed on the south side of Nova Scotia Line, to accommodate a proposed severed lot. The estimated length of the project is 30 meters. A sketch is attached showing the location of the proposed severance.

Once a landowner submits a petition, the Township is required under the Drainage Act, R.S.O. 1990, to appoint a Drainage Engineer to prepare a Drainage Report for the Council to address the request.

The Staff are recommending that Spriet Associates Ltd. be appointed by the Council to prepare the report. The estimated construction date is summer of 2022.

### **Comments/Analysis:**

As per the requirements under *Sections 5 to 7 of the Drainage Act R.S.O. 1990*, notice was sent out to local municipalities, local conservation authorities and the Ontario Ministry of Agriculture, Food and Rural Affairs so that they may request an

environmental appraisal or a benefit cost statement at their cost. The Township has not received any such requests.

Therefore, Staff is recommending that George Vereyken, P. Eng., of Spriet Associates Ltd., be appointed by the Council to prepare an engineer's report.

**Summary:**

The Township received a Petition for Drainage from the landowner at 49485 Nova Scotia Line.

Staff is recommending that George Vereyken, P. Eng., of Spriet Associates Ltd., be appointed by the Council to prepare an engineer's report.

## Report to Council

---

**REPORT NO.:** PW-22-11  
**DATE:** March 3, 2022  
**ATTACHMENT:** Petition  
**SUBJECT:** PETITION FOR DRAINAGE – MUILWYK/DYKXHOORN

### **Recommendation:**

**THAT Report No. PW-22-11 entitled “Petition for Drainage – Muilwyk/Dykxhoorn” be received;**

**AND THAT Mike Devos, P. Eng., of Spriet Associates Ltd., be appointed to prepare an Engineer’s Report for the Muilwyk/Dykxhoorn Petition.**

### **Background:**

As Council is aware, the Township of Malahide received a petition (see attached) for drainage to have a new drain constructed on the west side of Pigram Road.

Landowners Aart Muilwyk and Harry Dykxhoorn have petitioned the Township to have a new drain constructed on the west side of Pigram Road, from south of Lyons Line to Century Line. The estimated length of the project is 2000 meters. A sketch is included with the petition showing the location of the area requiring drainage.

### **Comments/Analysis:**

As per the requirements under *Sections 5 to 7 of the Drainage Act R.S.O. 1990*, notice was sent out to local municipalities, local conservation authorities and the Ontario Ministry of Agriculture, Food and Rural Affairs so that they may request an environmental appraisal or a benefit cost statement at their cost. The Township has not received any such requests.

Therefore, Staff is recommending that Mike Devos, P. Eng., of Spriet Associates Ltd., be appointed by the Council to prepare an engineer’s report.

**Summary:**

The Township received a Petition for Drainage from landowners Aart Muilwyk and Harry Dykxhoorn.

Staff is recommending that Mike Devos, P. Eng., of Spriet Associates Ltd., be appointed by the Council to prepare an engineer's report.

**Financial Implications to Budget:**

The Township has lands which contribute to the drainage area, and thus, will likely be a party to the report.

**Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that support the "Our Local Government" Strategic Pillar is "Embody Financial Efficiency throughout Decision-Making". Ensuring that the cost of maintaining municipal infrastructure is equitably borne by current and future ratepayer's works to achieve this goal.

## Report to Council

---

**REPORT NO.:** PW-22-14  
**DATE:** February 3, 2022  
**ATTACHMENT:**  
**SUBJECT:** ROADS DEPARTMENT 2021 YEAR-END REPORT

---

### **Recommendation:**

**THAT Report No. PW-22-14 entitled “Roads Department 2021 Year-End Report” be received.**

### **Comments/Analysis:**

The Township of Malahide Roads Department consists of one Roads & Construction Manager, two Roads Department Foremen, and 12 Roads Department operators. These staff are responsible for the maintenance of over 545 lane kilometres of Township Roads and an additional 292 lane kilometres of County of Elgin roadways within the township boundary.

The following is a summary of activities completed by the Roads Department during the fiscal year 2021:

#### **Culverts and Roadside Drainage:**

Roads Department staff completed the installation of approximately 785 metres of roadway culverts and roadside drainage pipe in 2021. This work included driveway improvements, road cross culverts and roadside drainage improvements in several locations within the Township.

In addition, staff installed 4 new catchbasins to improve roadside drainage conditions.

### Asphalt Patching, Padding & Shoulder Creep:

Township staff completed approximately 19.8km (1,020 tonnes) of hot mix asphalt edge repairs, asphalt profile corrections and patching on Township roads in 2021. These repairs extend the lifecycle of our surface treated roadways and improve safety of the motoring public.

Staff also placed approximately 95 tonnes of cold patch asphalt to repair various potholes on asphalt and surface treated roadways.

### Dust Control:

In 2019 the Township of Malahide awarded a 3 year contract for application of dust control products to Da-Lee Dust Control Ltd. of Stoney Creek, Ontario.

Under the 2021 portion of this contract, the Township applied 83.7 flake tonnes of dust control product compared to 86.4 flake tonnes of dust control in 2020; 86.6 flake tonnes of dust control in 2019, and 111 flake tonnes of dust control in 2018.

### Road Reconstruction:

Staff successfully completed 2.5 kilometers of road reconstruction on Pressey Line, from Walker Road to Pigram Road during the 2021 season. This work included full depth road excavation, road widening, roadside drainage improvements, in excess of 5,000 metres of road subdrain and new double surface treatment application.

### Surface Treatment Resurfacing:

Municipal staff contracted Duncor Enterprises of Barrie, Ontario to complete surface treatment resurfacing as part of the Township hard top road maintenance program. A total of 21.8 kilometres of single surface treatment was completed on the following roads:

- Century Line, from Newell Road to Pigram Road
- Carter Road, from John Wise Line to Talbot Line
- Glencolin Line, from Springwater Road to Imperial Road
- Hacienda Road, from Talbot Line to Glencolin Line

- Yorke Line, from Imperial Road to Whittaker Road

#### Gravel Resurfacing Program:

The Township of Malahide includes a gravel resurfacing program in the maintenance budget. During the year of 2021, township staff placed 4,990 tonnes of gravel on existing gravel roads.

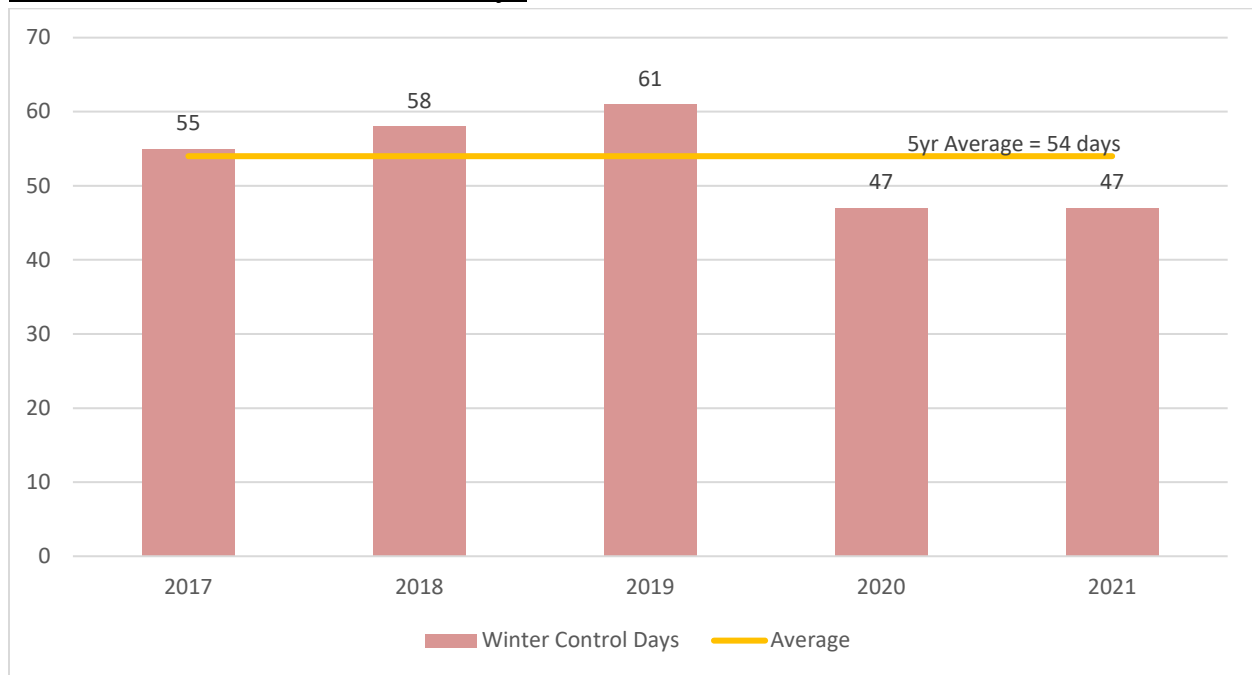

In addition, another 1,000 tonnes of gravel was use in spot repair locations and gravel shoulders.

#### Winter Control:

Though we continue to operate under our winter control program for the winter, the 2021 statistics have been compiled. We continued to see a trend of milder temperatures through the winter months of 2021, with the overall number of winter control responses consistent with the previous year. Though the temperatures trended on the milder side in 2021, we experienced an increased number of freeze/thaw cycles and freezing rain/ice events.

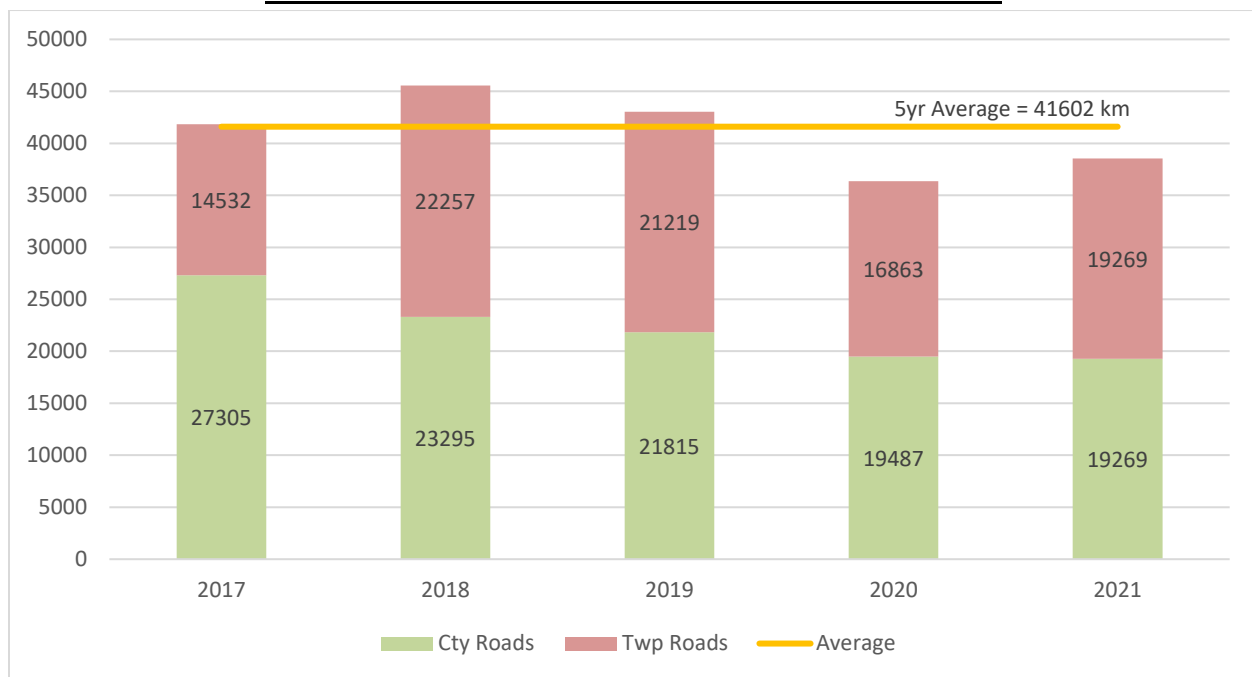

The total number of winter control event days in 2021 were 47. The 5-year average for winter event days is 53.

### Historical Winter Control Event Days

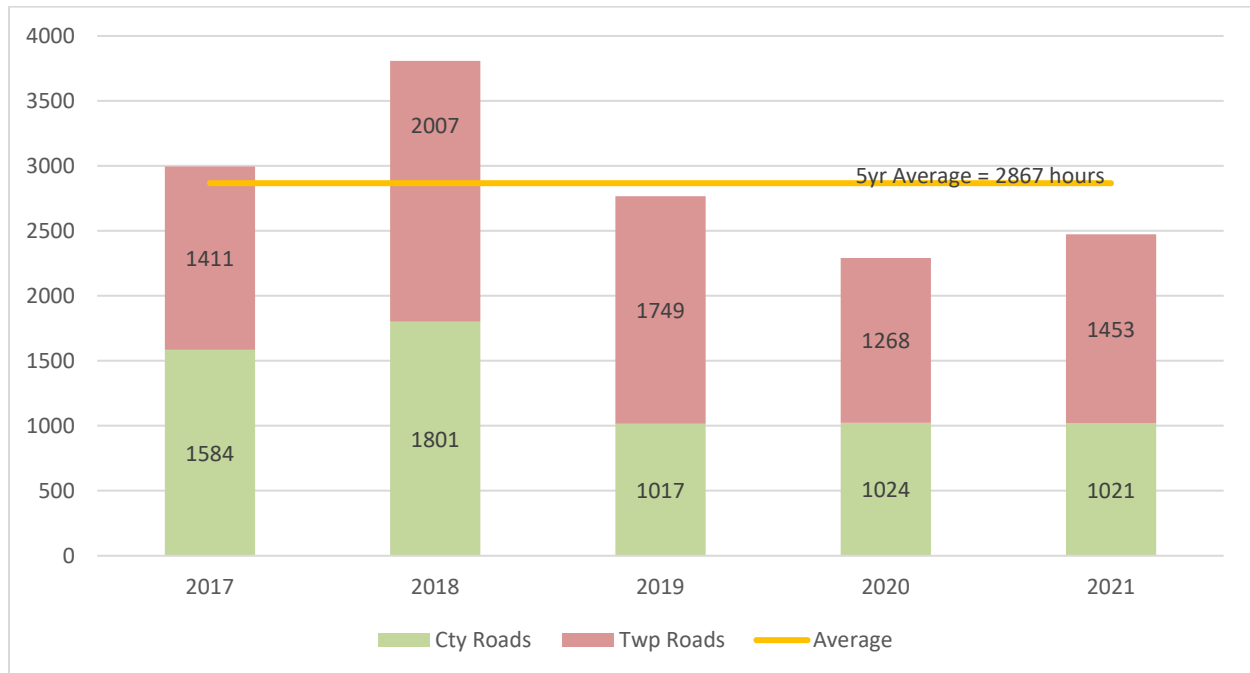

There were approximately 38,830 lane kilometers of winter control servicing completed in 2021, totaling 2,475 operator hours. A total of 2,280 tonnes of salt, 800 tonnes of mixed salt/sand and 10,365 litres of anti-icing liquid (beet juice) were applied to roadways.

## Report to Council

---

**REPORT NO.:** PW-22-15  
**DATE:** February 17, 2022  
**ATTACHMENT:** Traffic Count Data, Mandy Murphy Presentation  
**SUBJECT:** **CROSSLEY-HUNTER LINE SPEED CONCERNS**

---

### **Recommendation:**

**THAT Report No. PW-22-15 entitled “Crossley-Hunter Speed Concerns” be received.**

### **Background:**

At the November 4, 2021 meeting of Township Council, a presentation was received from Ms. Mandy Murphy on behalf of the residents in the Crossley-Hunter Line & Dorchester Road area, requesting improvements to speed and volume concerns. Specifically, Ms. Murphy was concerned about the speed and volume of traffic in the area of Crossley-Hunter Line and Dorchester Road described herein, as well as the interaction of pedestrians and cyclists with traffic.

### **Comments/Analysis:**

#### **Existing Conditions:**

The section of Crossley-Hunter Line in question runs east-west from Belmont Road to Imperial Road. The road surface is tar and chip, with two 3.4m (11.2ft) lanes, and 1.35m (4.4ft) shoulders for a total surface width of 9.5m (31.2ft) on average. Using the Minimum Maintenance Standard classifications, Crossley-Hunter Line is a Class 4 road, being an 80km/hr road, and having an annual average daily traffic (“AADT”) volume of between 200 and 499 cars per day. The Road Needs Study classifies Crossley-Hunter Line in this area as a “Collector Road”.

The section of Dorchester Road in question runs north-south from Lyons Line to Wilson Line. The road surface is tar and chip, with two 3.4m (11.2ft) lanes, and 0.95m (3.1ft) shoulders for a total surface width of 8.7m (28.5ft) on average. Using the Minimum Maintenance Standard classifications, Dorchester Road is a Class 4 road, being an

80km/hr road, and having an AADT volume of between 200 and 499 cars per day. The Road Needs Study classifies Dorchester Road in this area as a “Collector Road”.

Following the request for review, Township Staff conducted traffic speed and volume counts on Crossley-Hunter Line and Dorchester Road. The traffic counts on Crossley-Hunter Line were completed during the period of November 10, 2021 to November 17, 2021. The traffic counts on Dorchester Road were conducted during the period of November 17, 2021 and November 26, 2021.

The traffic data collected was also compared with data collected in the same areas during the summer of 2018 to establish any traffic volume and speed trends.

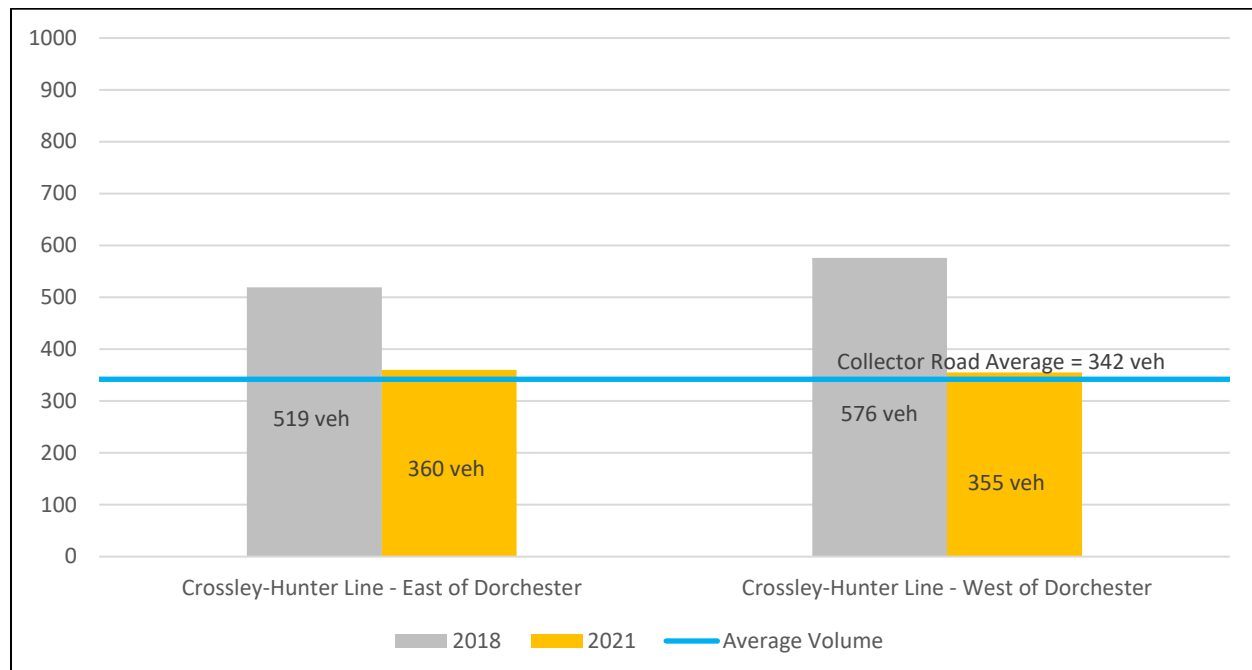

#### Crossley-Hunter Line Traffic Volume:

Crossley-Hunter Line within the subject area does not have posted speed limit signs. This is consistent with most of the rural roads in Ontario. Rural roads without posted signs are presumed to be 80 km/hr as per Section 128 (R.S.O. 1990) of the Highway Traffic Act. This is an accepted practice within Ontario and is followed by most municipalities. As such, Crossley-Hunter Line currently has a speed limit of 80 km/hr.

Recent traffic data collection shows the AADT volume on Crossley-Hunter Line has significantly declined since 2018. Overall the daily volume is slightly above average compared to other similar Collector Roads in the area.

| Location                            | 2018* | 2021 | % Change | Collector Road Average |
|-------------------------------------|-------|------|----------|------------------------|
| Crossley-Hunter, east of Dorchester | 519   | 360  | - 30.6%  | 342                    |
| Crossley-Hunter, west of Dorchester | 576   | 355  | - 38.4%  | 342                    |

\*Traffic Data collected during summer months (School not in session)

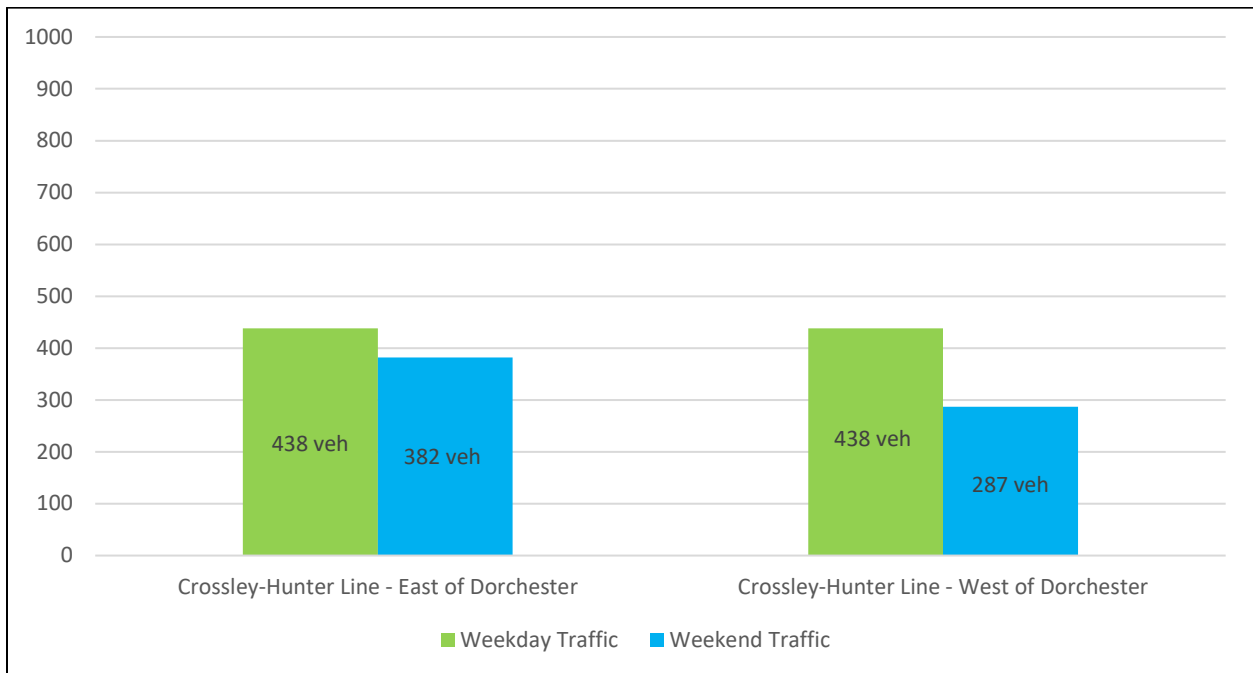

The general assumption is that the reduction in Average Annual Daily Traffic volume is attributed to improvements to other local area roadways since 2018. The COVID-19 pandemic may have impact; however such consideration will not be known until future data may be collected. The County of Elgin reconstructed Lyons Line in 2019 and as a result the traffic volumes on the adjacent Township of Malahide roadways has declined significantly.

While the 2018 traffic data was collected during the summer months, the most recent data collected in November 2021 does include traffic volumes during the school year. Data collected shows weekday traffic is higher on average than weekend traffic.

| Location                            | Weekday Traffic | Weekend Traffic | % Difference |
|-------------------------------------|-----------------|-----------------|--------------|
| Crossley-Hunter, east of Dorchester | 438             | 382             | -12.8%       |
| Crossley-Hunter, west of Dorchester | 438             | 287             | -34.5%       |

The AM peak volume is 35 vehicles per hour between 8:00am and 9:00am, and the PM peak volume is 38 vehicles per hour between 3:00pm and 4:00pm.

| Peak Volume | Time            | Average Volume | Vehicles per Minute | Minutes per Vehicle (mm:ss) |
|-------------|-----------------|----------------|---------------------|-----------------------------|
| AM          | 8:30am – 9:30am | 35 vehicles    | 0.58                | 01:44                       |
| PM          | 3:30pm – 4:30pm | 38 vehicles    | 0.63                | 01:35                       |

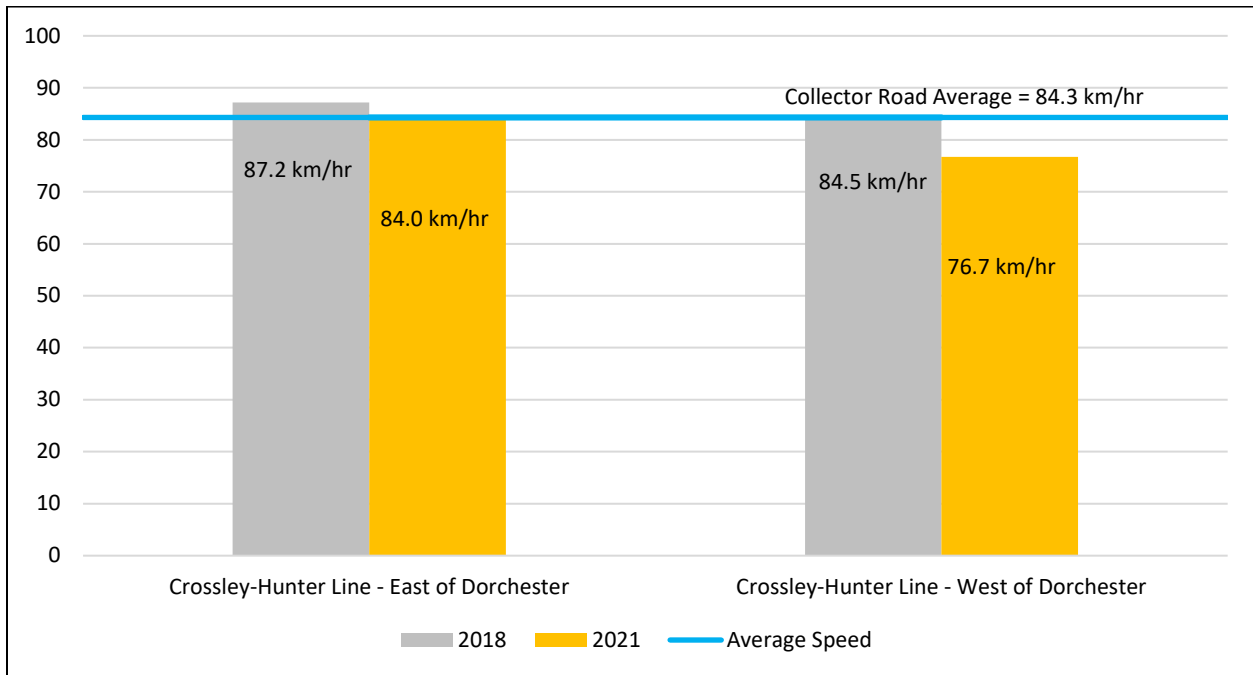

Of the vehicles travelling on Crossley-Hunter Line, 5.8% were classified as large vehicles (commercial vehicles).

### Crossley-Hunter Line Speed:

The traffic collection data shows that the speed of traffic on Crossley-Hunter Line has remained steady and decreased slightly since 2018. The average speed is comparable to other similar Collector Roads in the area.

| Location                            | 2018* | 2021 | % Change | Collector Road Average |
|-------------------------------------|-------|------|----------|------------------------|
| Crossley-Hunter, east of Dorchester | 87.2  | 84.0 | -1.4%    | 84.3                   |

\*Traffic Data collected during summer months (School not in session)

The slight reduction in average speed can be attributed to the overall reduced traffic volume.

In addition to the average speed of traffic, municipalities also use the 85<sup>th</sup> percentile speed as a guide to determine driver comfort along a corridor.

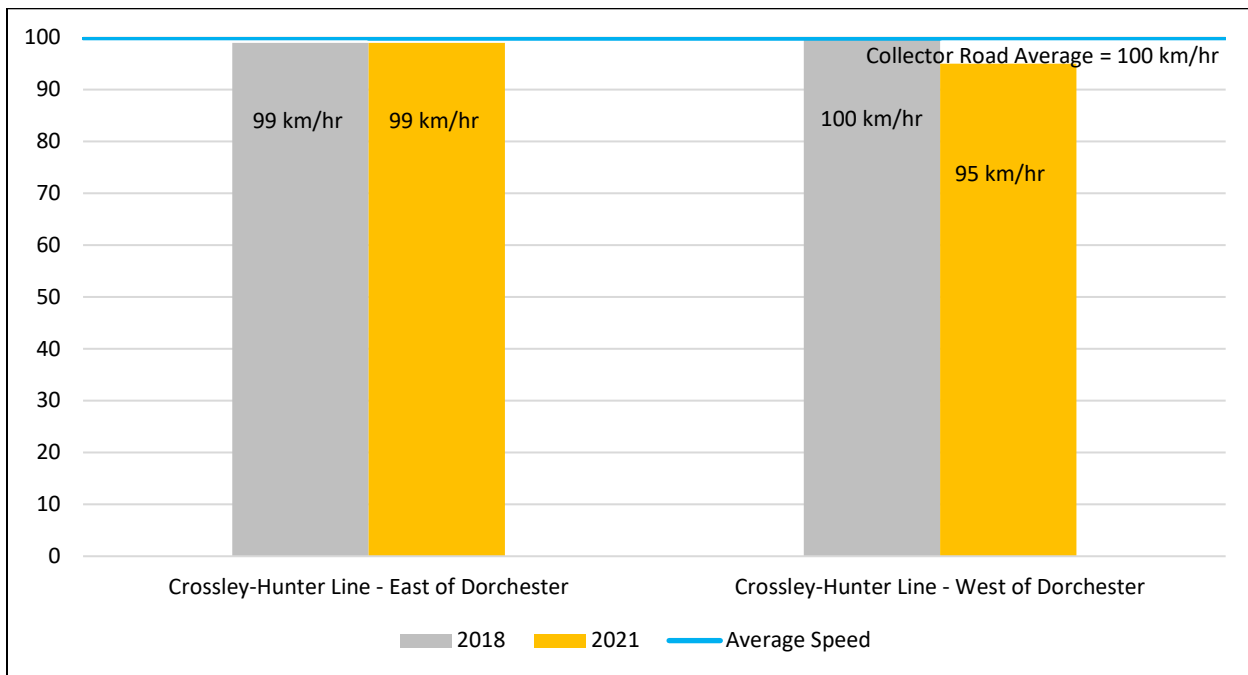

The 85<sup>th</sup> percentile speed defines the speed that 85 percent of drivers will drive at or below under free-flowing conditions. This is an important statistic because it considers the visual aspects of the road and a 'feel' for the road as well as the posted or assumed speed limit. The visual factors that influence speeds can include:

- Lane and shoulder configurations and widths
- Presence of vertical and horizontal curves
- Sight distance and obstructions
- Presence of surrounding developments to the roadway

The traffic collection data shows that the 85<sup>th</sup> percentile speed on Crossley-Hunter Line has remained steady and decreased slightly since 2018. The 85<sup>th</sup> percentile speed is comparable to other similar Collector Roads in the area.

| Location                            | 2018* | 2021 | % Change | Collector Road Average |
|-------------------------------------|-------|------|----------|------------------------|
| Crossley-Hunter, east of Dorchester | 99    | 99   | 0.0%     | 100                    |
| Crossley-Hunter, west of Dorchester | 100   | 95   | -5.0%    | 100                    |

\*Traffic Data collected during summer months (School not in session)

The similar and consistent 85<sup>th</sup> percentile speeds in comparison to other area roads can be attributed to driver comfort. Crossley-Hunter Line rates as a road with a “Good” condition surface, with appropriate lane and platform widths, and adequate sight lines. This is common to similar roads in this area, as can be affirmed by the average 85<sup>th</sup> percentile speed of 100km/hr.

#### Dorchester Road Traffic Volume:

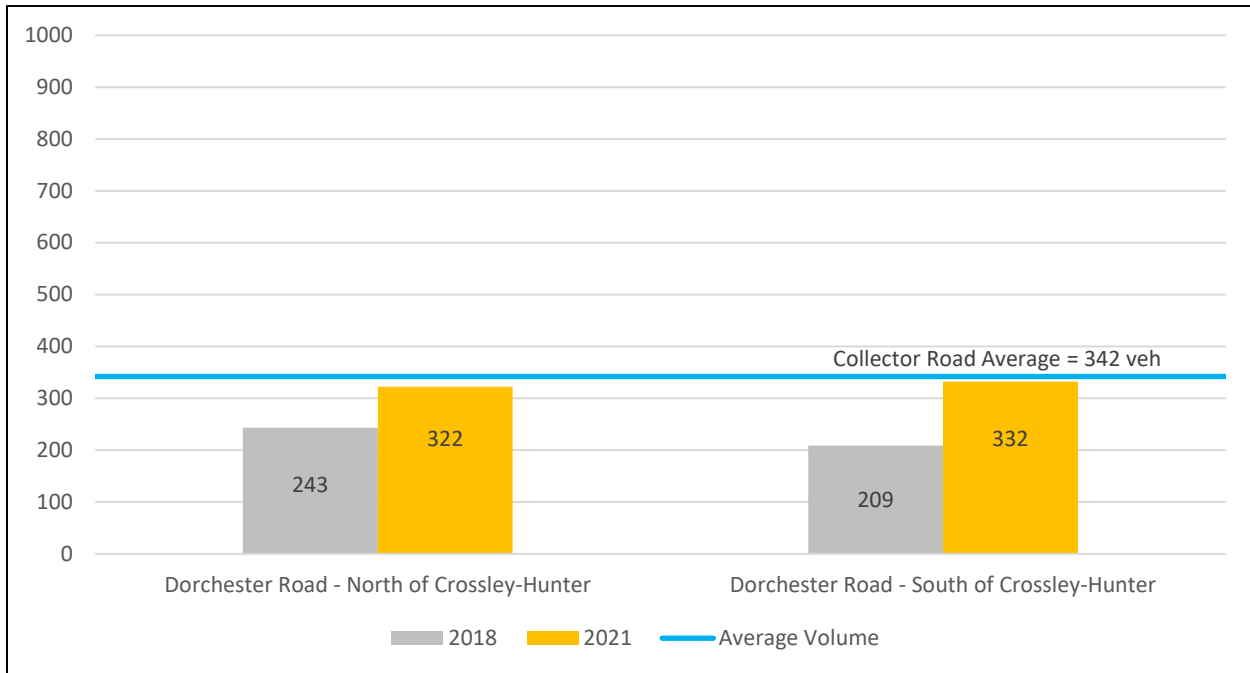

Dorchester Road within this area also does not have posted speed limit signs. As such, Dorchester Road currently has a speed limit of 80 km/hr.

Recent traffic data collection shows the AADT volume on Dorchester Road has significantly increased since 2018. Overall the daily volume is slightly below average compared to other similar Collector Roads in the area.

(table and chart provided on following page)

| Dorchester, south of Crossley-Hunter | 209   | 332  | +58.9%   | 342                    |

\*Traffic Data collected during summer months (School not in session)

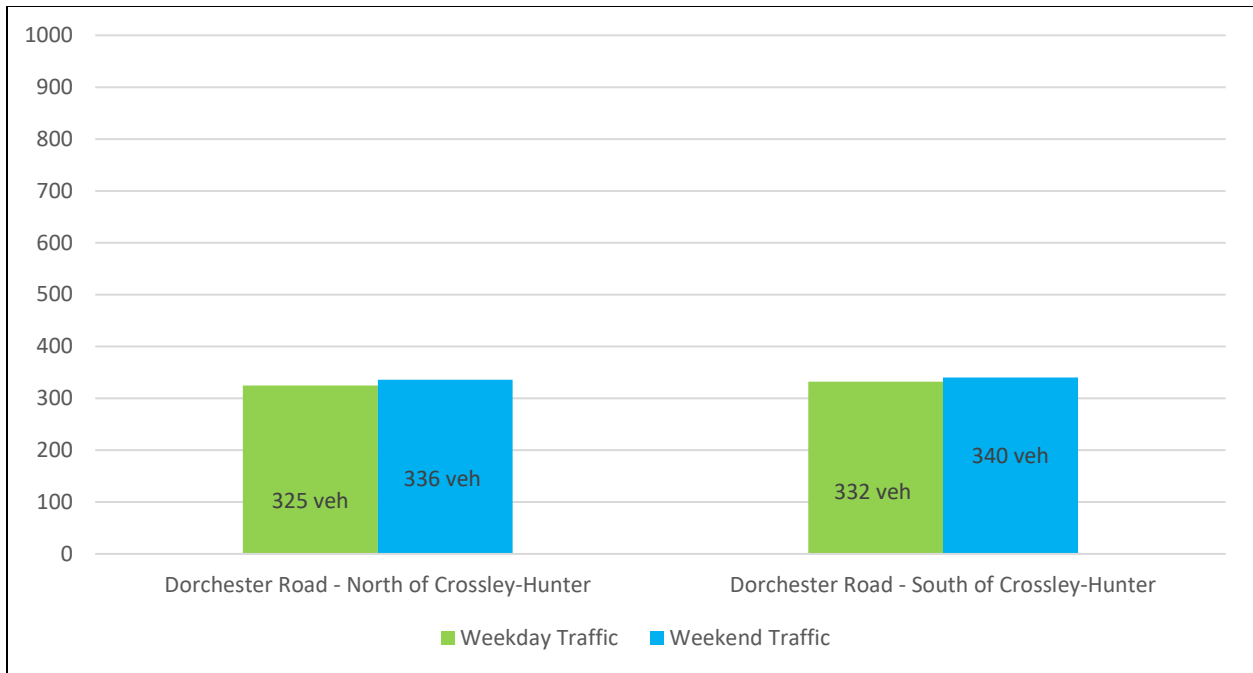

The increase in Average Annual Daily Traffic volume can be attributed to improvements to Dorchester Road, both within the Township of Malahide and in the Municipality of Thames Centre. The entire length of Dorchester Road is now hard surfaced, and as a result, traffic is using Dorchester Road instead of detouring to other County roads in the area.

While the 2018 traffic data was collected during the summer months, the most recent data collected in November 2021 does include traffic volumes during the school year. Data collected shows weekend traffic is slightly higher on average than weekday traffic.

| Location                             | Weekday Traffic | Weekend Traffic | % Difference |
|--------------------------------------|-----------------|-----------------|--------------|
| Dorchester, north of Crossley-Hunter | 325             | 336             | +3.4%        |
| Dorchester, south of Crossley-Hunter | 332             | 340             | +2.4%        |

(the chart associated with the above table is provided on the following page)

The AM peak volume is 22 vehicles per hour between 8:00am and 9:00am, and the PM peak volume is 34 vehicles per hour between 4:00pm and 5:00pm.

| Peak Volume | Time            | Average Volume | Vehicles per Minute | Minutes per Vehicle (mm:ss) |
|-------------|-----------------|----------------|---------------------|-----------------------------|
| AM          | 8:00am – 9:00am | 22 vehicles    | 0.37                | 02:42                       |
| PM          | 4:00pm – 5:00pm | 34 vehicles    | 0.57                | 01:45                       |

Of the vehicles travelling on Dorchester Road, 9.9% were classified as large vehicles (commercial vehicles).

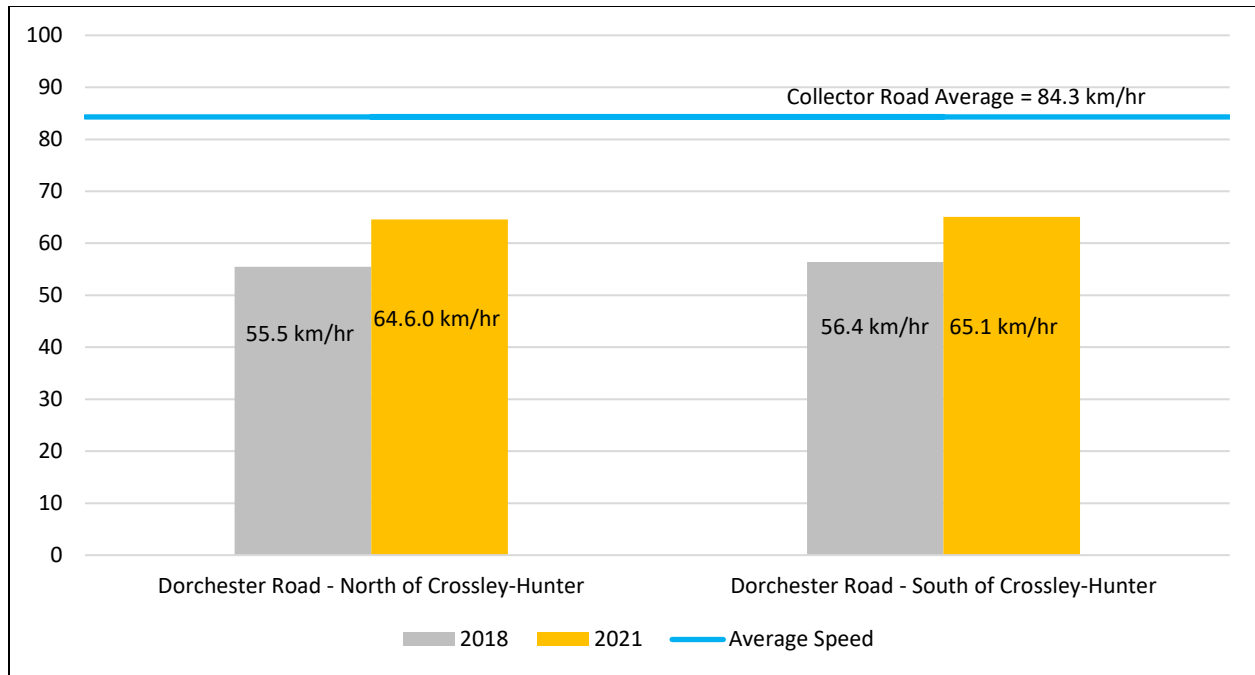

#### Dorchester Road Speed:

The traffic collection data shows that the speed of traffic on Dorchester Road has increased since 2018. The average speed is considerably below average compared to other similar Collector Roads in the area, however this is attributed to the stop condition at the intersection with Crossley-Hunter Line.

| Location                             | 2018* | 2021 | % Change | Collector Road Average |

### Speed Limits

With respect to establishing the posted speed on a Township Roadway, the Township has historically adhered to the warrants in the Highway Traffic Act (HTA) for density and/or the physical geometric conditions (limitations) of the roadway. These warrants are discussed further in the following paragraphs.

### The Highway Traffic Act (HTA)

As the Council is aware, Section 128 (2) of the HTA gives the Council, which has jurisdiction over the road, the authority to prescribe the rate of speed on that road. Both Elgin County and the Township follow the criteria laid out in the HTA. In order for our road system to have continuity, the Staff reviewed the speed zones for consistency and for compliance with the HTA.

The HTA establishes the warrants to identify urbanized areas which qualify for a speed reduction. Section 128 (1) of the HTA states that “No person shall drive a motor vehicle at a rate of speed greater than 50 kilometers per hour on a highway within a built-up area.”

The HTA very specifically defines built-up areas as:

- (a) not less than 50 per cent of the frontage upon one side of the highway for a distance of not less than 200 meters is occupied by dwellings, buildings used for business purposes, schools or churches,
- (b) not less than 50 per cent of the frontage upon both sides of the highway for a distance of not less than 100 meters is occupied

by dwellings, buildings used for business purposes, schools or churches, or

- (c) not more than 200 meters of the highway separates any territory described in clause (a) or (b) from any other territory described in clause (a) or (b)”

Assessed against the above, no portion of Crossley-Hunter Line or Dorchester Road in this area meet the criteria to be classified as a built-up area as defined under the HTA.

### Geometric Characteristics

A roadway’s geometrical features are also used to establish reduced speed zones. A roadway may have vertical or horizontal features that would require that the posted speed be reduced. The Public Works Department contracted CJDLC Consulting Engineers to review the road’s geometry and sightlines along the length of Crossley-Hunter Line and Dorchester Road during Phase 1 of the Township’s Roads Safety Audit in 2019.

Using the Ministry of Transportation’s (MTO) *Geometric Design Standards for Ontario Highways* as a standard, the consultant has undertaken a review of the roadways. To summarize, the geometrical features were found to be sufficient in the area of the Crossley-Hunter Line and Dorchester Road intersection for an 80 km/h speed limit. The Township utilizes the same design standards as the MTO to establish safe operating speed limits, which means that wherever possible, the design speed is generally 10-20 km/hr greater than the posted speed.

The consultant provided a recommendation to install “Stop Ahead” signs on Dorchester Road on the approaches to the intersection in question. Staff completed these sign installations in 2019.

### **Summary:**

Following the review process, the Staff recommend no change in the posted speed limit for Crossley-Hunter Line or Dorchester Road. The data collected suggests that none of the criteria for speed reduction are currently being met.

While the perceived level of safety for pedestrians may appear low to local residents, the traffic volume, resident density and sight distance requirements are in line with other Township of Malahide rural collector roads.

The 85<sup>th</sup> percentile speed data is also in line with other similar collector roads, although the average is higher than would be preferred. The most effective solution to reducing excessive speeds in this area is increased speed enforcement.

**Financial Implications to Budget:**

No financial implications at this time.

**Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ACSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that support the “Embody Financial Efficiency throughout Decision-Making” Strategic Pillar is ensuring that the cost of maintaining municipal infrastructure is equitably borne by current and future ratepayers.

**HAMLET OF CROSSLEY-HUNTER**

# Crossley-Hunter Hamlet Community Safety Zone Project

Prepared for: The Councillors of the Township of Malahide

Prepared by: The Residents of Crossley-Hunter - Mandy Murphy

Prepared: October 2021

---

## SUMMARY

### Objective

To collaborate with the Township of Malahide to **proactively increase the overall health and safety** for all residents, including young children and families (many of whom are homesteaders) and retired elders, living in the community of Crossley-Hunter as well as bikers and commuters traveling to and through the “tranquil backroad” Hamlet.

### Concerns

- **High speed limit (80km/hr)**, within a highly populated/built up area
    - **Not currently safe for elders and young families in the community** to walk or bike to neighbouring houses and/or for exercise
    - **Drivers failing to slow** and give space **for bikers and pedestrians** on the road (even when they see residents are young children and/or elders)
    - **37% of the Crossley-Hunter Community members, who live and play and travel on the road by foot and bike, within the community, are younger than 15 years of age (most are under the age of eight), a dramatic increase in young children and outdoor activity within the past 3 years** - roughly 44 individuals in total, 17 of these are children under the age of 15
  - **Drivers consistently exceeding 80km speed limit**
    - [Speed monitors and assessments have been set up and conducted in the past resulting in no significant long-term changes](#)
  - **Increased vehicle activity** at the corner of the highly populated Crossley-Hunter Line and recently paved Dorchester Side Road (this includes impacted visibility due to surrounding homes at the corner and **limited visibility** due to the hills to the east and west on Crossley-Hunter Line)
    - Drivers consistently rolling through the stop signs
    - **Extensive history of accidents** (some fatal) and near accidents as well as of complaints at the corner of Crossley-Hunter Line and Dorchester Side Road
      - History of school buses being passes here as well
      - This is trauma that we, the community, must live with for the rest of our lives

## HAMLET OF CROSSLEY-HUNTER

\* Photos from the 2018 accident resulting in a transport truck rolling onto a neighbour's yard - <https://black-burnnews.com/london/london-news/2018/06/19/driver-charged-crash-transport/>

\* NOTE - Four houses share yards with the corner and have children and adults playing/working, etc. in the direct line of a crash/rollover, etc.

### Concerns Continued...

- **Highly utilized road for agricultural transport trucks** that consistently exceed current speed limits (would not be able to stop in time for pedestrians even adhering to speed limits)
  - Highly utilized road for large agricultural machinery moving at a moderate pace prompting many vehicles to unsafely pass tractors within the Hamlet
- **Increased traffic due to South Dorchester Public School**
  - **Increase in school district personnel and staff maintaining/working on school grounds year round as well as parents/guardians/caregivers transporting children to and from South Dorchester Public School throughout the day**
  - Drivers consistently exceeding the speed limit (NOTE: school population has nearly doubled in recent years due to changing needs of surrounding communities)
  - Many of these commuters are in a rush and speed to and from the school multiple times per day
- **Distracted drivers** exceeding speed limits on their phones, driving into the glare of the sun, etc.
- **Drivers speeding past young children waiting for their bus in the A.M.s and getting off their bus in the P.M.s**

### Goals

- To **proactively create a 50km/hr Community Safety Zone** that is consistent with the changing needs of our rural community (NOTE: monitoring the current speed limit **would NOT** be a viable solution because the current speed is **too high** for our current community demographics and activities)
-

---

## HAMLET OF CROSSLEY-HUNTER

- To decrease the speed limit to a range that **allows ALL vehicles to stop unexpectedly and turn safely**
- To **increase health and safety for all community members** while decreasing the need, because of dangerous traffic, of having to drive to nearby homes vs. walking or biking therefore also **decreasing individual CO2 emissions** and **increasing the overall mental, physical health and community engagement** of individuals

### Solution

- To change the **community speed limit signs on Crossley-Hunter Line to 50km/hr** starting at the Catfish Creek bridge (to allow for vehicles to slow naturally with the hill) and ending at the top of the hill near Fournier's (please refer to drawing)
  - **Note: Including the hills within the speed limit would increase all sight lines for motorists while, at the same time, providing more adequate timing to be able to successfully stop, turn, and safely see local pedestrian traffic, etc. This requested placement of the signs would also include all the homes and families who regularly commute by foot and/or bike within the community for work and leisure**
- The above proposed plan would be more consistent to neighbouring communities such as Gladstone, Mapleton, the farming communities surrounding Springfield, Avon Line, Wilson Line, etc.
- To change the **community speed limit signs on Dorchester Side Road to 50km/hr**
- To discuss the pros and cons of including Crossley-Hunter Hamlet signs with the speed limit signs

### Conclusion

Thank you for taking the time to discuss and attempt to understand our unique community's concerns and proposed solutions. We look forward to collaborating with you on a solution that we can all live with. We also invite you to visit us, at any time, to see for yourself what is happening in our community - the good (the community dynamics) the bad (the congested corner) and the ugly (high volume of vehicles driving dangerously too fast)!

At this time, we cannot stress enough the need for all of us to be proactive and timely with this project. We have an incredible opportunity to avoid the regrettable tragedies that neighbouring communities have faced in recent years due to the lack of community safety measures at a local government level.

Please help us keep our community, especially our children and elders, safe - let's be proactive! Malahide Township is a wonderful place to live, work, play and mentally and physically SLOW DOWN (which we have all been learning, in the past year, that we must get better at). As seen on your website - "Find Tranquility in Malahide by Land or Water"; "Travel our back roads and our charming villages, there is an abundance of attractions that will enrich your visit" and "A Community rooted in rich heritage"! Crossley-Hunter is a part of our Malahide history. Let's preserve our local heritage while safely protecting our future.

## Report to Council

---

**REPORT NO.:** FIN-22-03  
**DATE:** February 17, 2022  
**ATTACHMENT:** Proposal from Watson & Associates  
**SUBJECT:** TERTIARY WATER AND SEWER SYSTEM RATE STUDY  
CONTRACT AWARD

---

### **Recommendation:**

**THAT Report No. FIN 22-03 entitled “Rate Study Contract Award” be received;**

**AND THAT the contracting of professional consulting services to undertake the Township of Malahide Tertiary Water and Sewer System Rate Study be permitted as a single source procurement;**

**AND THAT Watson & Associates Economists Ltd. be awarded the service contract for the Township of Malahide Tertiary Water and Sewer System Rate Study, in the amount of \$25,620.00 plus applicable taxes.**

### **Background:**

The Township of Malahide has used Watson & Associates’ Rate Study and Asset Management Plan as its primary source of guidance for long-term financial planning and rate setting for Water and Sewer services since 2014. With these studies expiring this year, Council approved new ones be developed during 2022.

### **Comments/Analysis:**

Section 4.7 of the Township’s procurement policy states that for purchases greater than \$25,000.00:

*“a formal process shall be followed, unless the Goods/Services are authorized under Section 5 Non-Competitive process or Section 8 Exceptions/Exemptions from Competitive Process”.*

It is the recommendation of Staff that the 2022 rate studies be authorized as a single source procurement thereby bypassing the requirement to advertise a formal request for proposal. This is being recommended on the basis that the required services are to be supplied by a particular bidder having special knowledge, skill, expertise or experience

which cannot be provided by any other person. Given that Watson & Associates prepared the 2014 rate study, the Township's most recent Asset Management Plan, as well as the Development Charges Study, they have organizational knowledge that can be leveraged for the new rate study as well.

Staff had requested and has received a full proposal, including a scope of services from Watson & Associates which is attached to this report.

**Financial Implications to Budget:**

The Tertiary Water and Sewer System Rate Study is proposed to be proportionally funded from the Water & Sewer Reserves. The study was budgeted at a combined cost of \$40,000 in the 2022 Water and Sewer Budgets and will therefore well under-budget.

Dear Mr. Boylan:

Re: Proposal to undertake the Malahide Tertiary Water and Wastewater System Rate Study

Further to your request, we are pleased to provide you with a proposal letter concerning the above-referenced assignment.

## 1. Scope of Work

The scope of the rate review study will include an analysis of current capital and operating forecasts, lifecycle cost requirements, current volumes, and customer profiles. The results of this analysis will then provide updated tertiary water rates and wastewater rates. This rate analysis will aim to provide fiscally responsible practices that are in line with current provincial legislation at a level of rate increases that are reasonable.

The proposed work plan will be as follows:

1. Project Initiation Meeting
2. Data Collection and Review
3. Volume and Customer Forecast
4. Capital Needs and Financing Analysis Update
5. Operating Costs Analysis Update
6. Rate Calculations
7. Review Calculations and Preliminary Rates with Staff
8. Finalize Rate Study Report

## 9. Council Presentation

### **Task #1 – Volume and Customer Data Analysis Update**

- Set up an initial meeting with staff to confirm the timelines, deliverables, and requirements of the study.
- Begin modelling set up (excel based modelling will be used) based on current water and wastewater rate structures.

### **Task #2 – Data Collection and Review**

- Watson will provide an information request for background documentation required to undertake the study, in order to:
  - Obtain 5 years of historical records on purchased and billable water volumes from the Aylmer Area Secondary Water Supply System (AASWSS) and the Port Burwell Area Secondary Water Supply System (PBASWSS), along with customer data for each system (i.e. total number of existing customers by secondary system).
  - Obtain current records on wastewater customers by type, in line with the current flat rate structure (i.e. by residential, Duplex & two houses on one account, apartments with 2 residential units, non-residential, etc.)
  - Obtain 10-year growth forecast data anticipated for the water and wastewater systems (by type for wastewater).
  - Obtain most current capital and operating budget/forecast information for the tertiary water and wastewater systems.
  - Obtain current information on water and wastewater reserves/reserve funds (year-end 2021).
  - Obtain current water and wastewater asset inventory including details on asset I.D., location, material type, historical cost, replacement costs, estimated useful life, etc.
  - Confirm current water and wastewater rates.
- Review information related to needed replacements, improvements, and expansions of the tertiary water and wastewater systems. This may include previous rate studies or the Township's Asset Management Plan/data.
- A forecast of the water rates from the AASWSS and PBASWSS will be required to assist in forecasting the cost of water purchases needed over the 10-year period (2022-2031).

### **Task #3 – Volume and Customer Forecast**

- Based on historical information and data obtained, regarding purchased and billed water volumes and forecasted growth, forecast future water purchases and billable volumes. Further, based on existing and projected growth in wastewater customers will be used to forecast future customers. Volumes and customers identified in the 2022 budgets will also be used for the base year.

- Analyze, quantify, and evaluate water system losses by comparing the volumes purchased vs. metered volumes billed to assist in forecasting future needs for purchased water and billable volumes required for rate setting.
- Based on the average volume patterns for purchased and billed water, a water volume forecast will be developed, including anticipated growth needs.

#### **Task #4 – Capital Needs and Financing Analysis Update**

- Develop the 10-year capital forecast based on the Township's current water and wastewater forecasts, asset management plans/data related to lifecycle (replacement) needs, renewal, major maintenance needs, and growth needs, as applicable.
- Summarize the 10-year capital forecast needs for the systems as well as the long-term replacement needs on a lifecycle cost basis.
- Consider capital funding requirements and alternative financing options (e.g. debt transfers from reserves, transfers from operating budgets, etc.) to finance the required capital needs.

#### **Task #5 – Operating Costs Analysis Update**

- Review all available operating related information required for project purposes.
- Identify all operating costs and related annual cost components such as maintenance costs, testing, water purchases, engineering/administration, etc.
- Based on the forecast of rates from the AASWSS and PBASWSS, along with forecasted volumes, impacts to the operating budget will be assessed related water purchases.
- Summarize into capital and operating components for existing system replacement/optimization needs and long-term replacement needs on a lifecycle cost basis (existing and/or currently being prepared). Asset inventory information will be used for this purpose.
- From the future forecasts identified, assess potential cost implications; and
- Ensure that sustainable levels of revenue are available to provide sufficient resources for future rehabilitation and replacement needs.

#### **Task #6 – Rate Calculations**

- Rates will be calculated based on the current rate structure in place within the Township for water services (base charges and volume rates on a per cubic metre basis) and a flat rate basis for wastewater services which vary for different types of residential units vs. non-residential customers.
- The rate calculations will be based upon the forecasts calculated in previous tasks, including the capital and operating budget forecasts.

- Determination and recommendation of rates for full cost recovery that address operational, administrative, capital renewal/replacement (lifecycle), new capital, growth-related capital, continuous supply, debt, and reserve fund costs.

#### **Task #7 – Review Calculations and Preliminary Rates with Staff**

- One meeting has been provided to review the preliminary findings of the rate analysis including the capital and operating forecasts, lifecycle needs, and capital financing.
- Review the calculated rate forecast for both the tertiary water and wastewater systems over the forecast period.

#### **Task # 8 – Finalize Rate Study Report**

- Finalize the long-term plans prepared as part of the previous tasks for capital (i.e. related to the existing systems and future growth needs for the systems), and operating needs, including the long-term lifecycle needs.
- We will provide a Water and Wastewater Rate Study Report. The report will summarize the model results and forecasted rates over a 10-year period (2022-2031) for consideration by Council.

#### **Task # 9 – Council Presentation**

- One meeting with Council has been provided to relay the findings of the study. The presentation will include the most recent information on the legislation surrounding the water and wastewater industry, forecasted capital and operating budgets and resulting forecasted rate calculations.

## **2. Team Members**

**Gary Scandlan, BA, PLE, Managing Partner**, would be the project manager for the rate study. Mr. Scandlan has been with Watson for 30 years before which he worked for two Regional municipalities. In regard to the latter, he held senior managerial positions and was directly responsible for long range financial planning, long term rate and tax impact planning as well as all facets of capital financing. He is currently a member of the firm's senior management group, which develops interpretations of legislative requirements, as well as methodologies and formats and determines alternative policy strategies for all facets of the corporate assignments. Mr. Scandlan has undertaken rate studies for a number of municipalities of varying size and has advanced the concept of long-term lifecycle costing within rate structures. Mr. Scandlan has had considerable involvement in the changes being made to the water and wastewater industry in Ontario. Of particular note, he:

- represented the Ontario Water Works Association (O.W.W.A.), Ontario Municipal Water Association (O.M.W.A.) and Canada Environmental Association (C.E.L.A.)

during the Walkerton Inquiry. He prepared several submissions, participated in two expert panels, and made presentations to Judge O'Connor on two occasions;

- assisted in the preparation of a formal submission to the Province on behalf of O.W.W.A./O.M.W.A. upon first reading of Bill 155 (subsequently Bill 175);
- has been retained by O.W.W.A./O.M.W.A. to represent the Associations during stakeholder discussions on the Regulations for both S.W.S.S.A. and S.D.W.A.;
- has undertaken numerous lectures on Bill 175/195 and the Water Opportunities Act, as well as other aspects of the water industry in Ontario on behalf of A.M.O., A.M.C.T.O., A.P.W.A., O.G.R.A./R.O.M.A., O.M.W.A., O.W.W.A./C.W.W.A. and Trent University; and
- worked with the Province of Ontario to refine Municipal Act legislation and regulations as it applies to water and wastewater services.

**Nancy Neale, PLE, Manager**, will be the day-to-day contact and be responsible for the capital and operating needs review, lifecycle needs assessment, staff meetings, calculations, and the compilation and preparation of the final report and presentation. Nancy joined Watson in 2003 and has participated in over 200 development charge assignments, over 100 water and wastewater rate studies and various financial plans, financial impact assessments and long-term financial plans.

**Subrina Goolsarran, B.Sc., Analyst**, Subrina would assist with the completion of the rate study and includes report documentation, data compilation, and analysis. She joined the firm in early 2020 and primarily works in the field of development charges, water and wastewater rate studies and financial plans and service delivery reviews.

### 3. Project Budget and Schedule

Based on the work program identified, our budget estimate to complete the water and wastewater rate study is \$25,620 (excluding applicable taxes). A breakdown of the budget estimate by study step and by individual is presented below.

(#) Number of Meetings - Includes preparation and travel time

\* Assumes Meeting is Conducted Virtually

- Watson's budget provides for three (3) meetings, including an initiation meeting, one meeting with staff to review the assumptions and findings of the rate study, and one meeting with the Council.
- All meetings and presentations are assumed to be virtual.
- If staff wish to have Watson attend additional meetings, we would be available to prepare for and attend at an upset budget of \$1,600 per addition virtual meeting.
- If staff wish to have Watson attend meetings in person, there would be an additional budget requirement of \$600 per meeting related to travel time and expenses.
- Out-of-pocket disbursements for travel, copying and related expenses, are invoiced at cost.
- Our billings are submitted on a monthly basis for time worked on the project during the previous month. Billings are on a net 30-day basis.
- The quotations provide for a digital copy of the Final Report.

We believe, based on our experience, that the budget accurately reflects the time required to undertake all the steps necessary for the completion of the tertiary water and wastewater rate study. In addition, we believe that the investment in having the work done by a specialist firm such as Watson can potentially provide significant financial and long-term economic benefit to the Township of Malahide.

#### 4. Time Schedule

Based on the request for proposal we have developed the work program to allow us to complete the study activities and have the final water and wastewater study report available in June 2022. Watson will present the findings to Council on September 15, 2022.

Understanding that Municipal elections will be held on October 24, 2022 and that there may be a “lame duck” situation, Watson is prepared to adjust the timeline/schedule for final approval of the rates with the client, in the event that the election process impacts Council’s ability to approve the rate study.

## 5. Township Staff Resources and Responsibilities

The Consultant Team will rely on Township staff to facilitate the gathering and production of information that is required during rate study process.

Staff will also be responsible for attending working meetings with the consultant to provide input and clarification regarding all aspects of the study, as well as advertising, coordinating, and attending the Council meeting.

## 6. Other Matters

### 6.1 Project Management

---

Watson understands how important it is to meet timelines and budget, and that the key to success is to develop a thorough schedule and internal project management plan. Given that there is always the potential for unforeseen circumstances during any project, the consulting team recognizes the importance of a well-crafted project management plan to ensure that unforeseen circumstances can be dealt with quickly and the project remains on time and on budget. For Watson to manage its resources effectively for this study, Gary Scandlan, as the project manager, will be responsible for developing and overseeing compliance with the project work plan and ensuring that the Township is informed of all project activities. Mr. Scandlan will be actively involved in all steps of the implementation and execution of the project. He will coordinate assignments and be accessible and responsive to Township staff. On-going project management and client consultation will allow Watson to effectively manage its resources across all active projects.

Part of Watson's successful strategy is sound communication management, both internally and with clients. Internal meetings and correspondence allow for our staff to establish clear and achievable expectations for project deliverables to be provided on time. Constant communication between consulting staff and Township staff via meetings, telephone and e-mail will allow issues and concerns to be dealt with immediately.

### 6.2 Accessibility

---

Watson is committed to producing accessible documents that comply with A.O.D.A. (Accessibility for Ontarians with Disabilities Act, 2005) guidelines, as well as adherence to C.N.I.B. (Canadian National Institute for the Blind) Clear Print guidelines. Watson can provide reports as PDF files that pass the Adobe Acrobat Pro DC Accessibility Checker.

Illustrations in the form of images, figures, diagrams, and complex tables often display data that is difficult to make accessible to people with visual disabilities. To effectively

communicate complicated information in a way that is accessible and understandable to the reader, such illustrations are inserted as enhanced metafiles with descriptive, perceivable, and understandable alternative text. In addition, a comprehensive rendering of the data is included in the text to complement the illustrations and communicate results clearly.

In cases where complex data tables are being provided, or the Township requires customized report styles, templates, and specific formatting (e.g. the use of capital letters, underlining, italics, font sizes and colours), we will discuss any special circumstances with the Township. Often, complex data tables would be included as a separate appendix in order that they can be separated from the main document when being published in the public domain (e.g. Township website) where accessibility is required.

### **6.3 COVID-19**

---

In response to the COVID-19 pandemic and the recommendations given by the Province, Watson has implemented strategies to ensure the safe interaction with our clients, employees, and the public. Furthermore, we are committed to the successful completion of all contracts using the best tools available. Our employees are set up to work remotely and have been trained in software and processes to continue to work collaboratively with all our clients, colleagues, and sub-contractors. We also have the ability to teleconference through audio and video means to hold meetings, interviews, etc. In addition, we have been working with clients in the existing environment on conducting virtual public meetings and have had discussions regarding possible online/digital public engagement opportunities, should that become a necessity. We continue to communicate with our clients and third-party service providers on their own business continuity plans to ensure cooperation and best practices.

### **6.4 Conflict of Interest**

---

We have reviewed our current projects within the area and confirm that none of the Team members have a conflict of interest.

We look forward to the opportunity of working with you on this important assignment. Should the above proposal meet your approval, please indicate by signing below and returning a copy for our records.

Yours very truly,

WATSON & ASSOCIATES ECONOMISTS LTD.

**ATTACHMENT:** 2022 Municipal & School Board Pre-Election Accessibility Plan  
**SUBJECT:** **PRE-ELECTION ACCESSIBILITY PLAN**

---

### **Recommendation:**

**THAT Report No. CLERK-22-02 entitled “Pre-Election Accessibility Plan” regarding accessibility for the 2022 Municipal and School Board Elections be received.**

### **Background:**

In accordance with Section 12(2) of the Municipal Elections Act, 1996, the Clerk shall prepare a plan regarding the identification, removal and prevention of barriers that affect electors and candidates with disabilities and shall make the plan available to the public before voting day.

### **Comments/Analysis:**

The purpose of this report is to bring the pre-election accessibility plan forward to Council for informational purposes.

The Pre-Election Accessibility Plan will be posted on the Township Website for the duration of the election year and a follow up report will be presented to Council within 90 days after the election on the removal or prevention of any barriers that were encountered during the voting period, as required by Section 12(3) of the Municipal Elections Act, 1996.

### **Financial Implications to Budget:**

N/A.

### **Relationship to Cultivating Malahide:**

The *Cultivating Malahide* Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our

Local Government.

One of the goals that support the “Our Community” Strategic Pillar relates to “*Make Malahide an Inclusive Place to Live*”.

By identifying and then working to remove and prevent barriers that affect voters and candidates with disabilities assists in making Malahide more inclusive.

# Township of Malahide

## 2022 Municipal & School Board

### Pre-Election Accessibility Plan

#### 1. Introduction

The Township of Malahide's Pre-Election Plan supports and strengthens the Township's commitment and efforts to respond to the needs of persons with disabilities. The focus of this Plan is to ensure that electoral services are accessible to all electors and candidates. The intention is to identify and eliminate barriers for persons with disabilities, and to create a positive voting experience.

The Clerk's Office will continue to learn, develop, and adjust our approaches in order to meet the needs of persons with disabilities. This plan will be updated as new opportunities are identified or become available.

#### 1.1 **Municipal Elections Act, 1996, as amended - Legislative Requirements**

The Clerk is responsible for conducting municipal elections and establishing policies and procedures to ensure that all electors have the opportunity to fully participate in the 2022 Township of Malahide Municipal Election.

The Municipal Elections Act, 1996, as amended states the following:

| Section | Clause  |
|---------|---|
| 12(1)   | A Clerk who is responsible for conducting an election shall have regard to the needs of electors and candidates with disabilities.  |
| 12(2)   | The Clerk shall prepare a plan regarding the identification, removal and prevention of barriers that affect electors and candidates with disabilities and shall make the plan available to the public before voting day in a regular election.  |
| 12(3)   | Within 90 days after voting day in a regular election, the Clerk shall prepare a report about the identification, removal and prevention of barriers that affect electors and candidates with disabilities and shall make the report available to the public.                               |
| 41(3)   | The Clerk shall make such changes to some or all of the ballots as he or she considers necessary or desirable to allow electors with visual impairments to vote without the assistance referred to in paragraph 4 of subsection 52(1). 1996, c. 32, Sched., s. 41(3); 2001, c 32, s. 30(1). |
| 45(2)   | In establishing the locations of voting places, the Clerk shall ensure that each voting place is accessible to electors with disabilities.  |

## 1.2 Accessible Customer Service

The Township of Malahide is committed to establishing policies and practices which are consistent with the accessibility standards and four core principles of dignity, independence, integration and equal opportunity. The Accessible Customer Service Policy provide guidance on meeting the requirements of meeting the Accessibility for Ontarians with Disabilities Act, 2005 and in accordance with the Integrated Accessibility Standards Regulation 191/11 in order to ensure that all persons with disabilities are provided equal opportunities. To view the Township of Malahide's Accessibility Policy, visit <https://www.malahide.ca/en/municipal-office/accessibility.aspx>

## 1.3 Definition of Disability

The Accessibility for Ontarians with Disabilities Act (AODA), defined disability as meaning:

- i. Any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device;
- ii. A condition of mental impairment or a developmental disability;
- iii. A learning disability, or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language;
- iv. A mental disorder; or,
- v. An injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997.

Disabilities can take many forms, both visible and invisible. The following criteria were considered in the development of this Plan:

- i. Policies and procedures must be consistent with the principles of the Municipal Elections Act, 1996 and must respect the dignity and independence of persons with disabilities;
- ii. Access to electoral services must be integrated and equitable;
- iii. Initiatives should address and accommodate a wide range of abilities; and
- iv. The Township's AODA-compliant customer service policy for providing services to people with disabilities must be followed throughout the election process, visit <https://www.malahide.ca/en/municipal-office/accessibility.aspx>

## **2. Feedback**

The Clerk welcomes feedback to identify areas where changes need to be considered and ways in which the Township can improve the delivery of an accessible Election. This Plan is a working document and will continue to undergo changes. Feedback on this Plan can be submitted to the Clerk at [aadams@malahide.ca](mailto:aadams@malahide.ca) or 519-773-5344 ext. 222, or in writing to:

Allison Adams, Clerk  
87 John Street South  
Aylmer, ON N5H 2C3

## **3. Consultation**

Consultation with individuals and community groups provide greater knowledge and understanding in conducting elections that are accessible to all.

**Initiative:** Consult with the community about the Accessibility Pre-Election Plan.

### **Actions:**

- i. Consult with the Joint Accessibility Committee (County of Elgin) following the conclusion of the voting period to evaluate the success of various accessibility initiatives;
- ii. Collaborate with community groups to disseminate election information and raise awareness about the Township's accessibility initiatives to its members; and,
- iii. Attend community meetings and events, where possible, to demonstrate the alternative voting method and raise awareness of the 2022 Municipal and School Board Election.

## **4. Alternative Voting Procedure**

**Initiative:** Provide an accessible voting method for all Township of Malahide eligible electors.

### **Actions:**

- i. The use of internet voting system be designed to meet the needs of electors to ensure independence, dignity, integration and equal opportunity;
- ii. Posting videos and other informative material that outlines the voting process in advance of the voting period;
- iii. Ensure eligible voters are able to vote from home without having to travel using either telephone or internet voting. Menu options are clear and easy to follow, font size and volume can be adjusted and a screen reader can be used for internet voting; and,
- iv. Ensure Voter Information Letters are designed with appropriate accessible font styles and sizes, appropriate case usage and colour contrast where possible.

## **5. Information and Communications**

Information and communication initiatives ensure election information is accessible and available in alternative formats.

**Initiative (1):** Provide an informative and accessible election website at:  
<https://www.malahide.ca/en/municipal-office/election>

### **Actions:**

- i. Ensure election information is available in clear, simple language;
- ii. Update election information posted on the Township's website ([www.malahide.ca](http://www.malahide.ca)) to ensure it is recent and accurate; and,
- iii. Ensure election website is WCAG 2.0 Level AA Compliant.

**Initiative (2):** Provide election information in alternative formats (upon request) and through multiple channels by:

### **Actions:**

- i. Produce and distribute election related material prior to the election in accessible formats (print, web and other);
- ii. Post a step-by-step process on how to vote on the municipal election webpage;
- iii. Work with community stakeholders to address language barrier issues relating to election communications; and,
- iv. Post a video (as provided by Intelivote) with instructions on how to vote in the 2022 Municipal and School Board Election.

## **6. Assistance to Candidates**

**Initiative:** Provide candidates with information on how to make their campaigns accessible to the public and providing candidates with election information in accessible and alternative formats and ensure candidate information sessions are fully accessible.

### **Actions:**

- i. Provide candidate links through the Township municipal election website to accessible election information produced by the Province and other organizations where available;
- ii. Ensure information provided to candidates is available in an accessible format upon request;
- iii. Ensure the Township of Malahide Voters List is available in an electronic format, free of charge, to candidates upon request; and,
- iv. Hold candidate information session in an accessible location and video record or livestream for viewing afterwards at a remote location.

## **7. Voter Information (Help) Centre**

**Initiative:** Ensure the Voter Information Centres are accessible.

**Actions:**

- i. Confirm that the Voter Information Centres have a barrier free path of travel from the parking lot/ sidewalk, barrier free parking, door openers and accessible doors and adequate lighting;
- ii. Inspect the Voter Information Centres during the voting period, making modifications where possible to enhance accessibility;
- iii. Provide adequate signage at Voter Information Centres;
- iv. Ensure that election staff are aware of the Municipal Notice of Accessible Service disruption procedure in the event that disruptions to service or unforeseen circumstances affect the accessibility of the Voter Information Centre;
- v. Ensure accessible customer service training is provided to election staff; and,
- vi. Ensure election officials are available at the Voter Information Centres to assist a voter in casting their ballot when requested.

## **8. Post-election Report**

Section 12.1 (3) of the Municipal Elections Act, 1996 as amended states the following:

“Within 90 days after voting day in a regular election, the clerk shall submit a report to council about the identification, removal and prevention of barriers that affect electors and candidates with disabilities.”

The post-election report will be posted on the Township’s website and provided to Council in accordance with Section 12.1(3) of the Municipal Elections Act, 1996 as amended.

## Report to Council

**REPORT NO.:** CLERK-22-03  
**DATE:** March 3, 2022  
**ATTACHMENT:** Use of Corporate Resources for Election Purposes Policy  
**SUBJECT:** **USE OF CORPORATE RESOURCES FOR ELECTION PURPOSES**

---

### **Recommendation:**

**THAT Report No. CLERK-22-03 entitled “Use of Corporate Resources for Election Purposes” be received;**

**AND THAT the attached policy regarding the use of Corporate resources for election purposes be adopted.**

### **Comments/Analysis:**

The 2022 Municipal Election will take place on October 24, 2022. Nomination period will begin on May 2, 2022 and nominations will be accepted at the Municipal Office during regular business hours or until 2:00 p.m. on Nomination Day, Friday, August 19, 2022.

In order to ensure that the interests of both the Members of Council and the Corporation are protected during the election period, it is necessary to establish guidelines on the appropriate use of corporate resources during such election period.

The Municipal Elections Act, 1996 prohibits a Municipality from making a contribution to a candidate. The Act also prohibits a candidate, or someone acting on the candidate's behalf, from accepting a contribution from a person who is not entitled to make a contribution. As a contribution may take the form of money, goods or services, any use by a Member of Council of the Corporation's resources for his or her election campaign would be viewed as a contribution by the Municipality to the Member, which is a violation of the Act.

The adoption of a policy regarding the use of Corporate resources for election purposes will ensure that the interests of both the Members of Council and the Corporation are protected during the election period.

**Financial Implications to Budget:**

N/A.

**Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ACSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Local Government.

One of the goals that support the “Our Local Government” Strategic Pillar relates to “Embody Financial Efficiency throughout Decision-Making”. Ensuring that the Municipality’s operations, events, and facilities are not used for political purposes works to achieve this goal.

## **USE OF CORPORATE RESOURCES FOR ELECTION PURPOSES POLICY**

**Approved by Council on: March 3, 2022**

---

### **Policy Statement**

The purpose of this policy will provide a consistent approach and ensure accountable and transparent election practices regarding the use of corporate resources during an election campaign period.

This policy also ensures that the Municipality's operations, events, and facilities are not used for political purposes and are not used for election campaign related purposes/activities.

### **Legislative Authority**

The following legislative provisions are highlighted as they relate to these rules and procedures:

The Municipal Act, 1996 s. 88.8 (4) states that municipalities shall not make a contribution to a candidate.

The Municipal Elections Act, 1996 s. 88.8 (1) also prohibits a candidate, or someone acting on the candidate's behalf, from accepting a contribution from a person who is not entitled to make a contribution. As a contribution may take the form of money, goods and services, any use of the Corporation's resources for an election campaign could be viewed as a contribution by the Municipality, which is a violation of the Municipal Elections Act, 1996.

### **Scope**

This policy applies to Members of Council and its local boards, registered election candidates (including acclaimed candidates), registered third parties in a municipal election, and Municipal staff during a campaign period.

The following exceptions apply:

1. Municipal information prepared, posted and maintained by the Municipality; names and photographs of Members of Council and its local boards; their

contact information; and a list of current representation on committees and local boards that is prepared, posted and maintained by the Municipality;

2. Agendas and minutes of Council, local board, and Committee meetings; and
3. Media releases and Municipal materials that describe inter-governmental activities of the Mayor in the capacity as Head of Council and Chief Executive Officer of the Municipality.

This policy is intended to:

1. Ensure compliance with the Municipal Elections Act, 1996, in regards to the role of the Municipality contributing to a municipal and/or trustee election campaign.
2. Ensure candidates and registered third parties are treated fairly and consistently within the municipality.
3. Ensure the integrity of the election process is maintained at all times.
4. Establish the appropriate use of resources during an election period, in order to:
  - a. Protect the interests of Members of Council and its local boards, candidates, registered third parties, Municipal staff and the Corporation;
  - b. Ensure accountable and transparent election practices.

## **Policy**

### **General Provisions:**

In accordance with the provisions of the Municipal Elections Act:

- a. Corporate resources and funding may not be used for any election-related purposes;
- b. Municipal Staff may not canvass or actively work in support of a municipal candidate or third party during normal working hours unless they are on a leave of absence without pay, lieu time, personal day, or vacation leave;
- c. Municipal facilities/property may not be used for any election related purposes, which includes displaying of any campaign related signs or materials on such premises unless all candidates are afforded the same opportunity.

### **Specific Provisions:**

1. Candidates, Registered Third Parties and Members of Council and its local boards

Candidates, Registered Third Parties and Members of Council and its local boards shall NOT:

- a. Use equipment, supplies, services, staff or other resources of the municipality for any campaign or campaign related activities;
- b. Use Municipal funds to acquire any resources for any campaign or campaign related activities, including ordering of stationery and office supplies;
- c. Benefit from the use of any corporate pricing established under the Municipality's purchasing policy;
- d. Use Municipal facilities or property for campaign events, unless the facility or property is rented in accordance with municipal agreements and the appropriate rates are paid;

Note: Such rental must be paid from the campaign account of the candidate or registered third party.

Notwithstanding the foregoing, no facility/property shall be rented or used for any municipal election-related purpose during any day that voting is taking place on the property;

- e. Use Municipal funds to print or distribute any material that makes reference to, or contains the names or photographs, or identifies candidates or registered third parties;
- f. Make reference to and/or identify any individual as a candidate, political party, registered third party or a supporter or opposer of a question on a ballot during an election, on any social media sites, blogs, and other new media created and managed by Municipal employees;
- g. Use the Municipality's brand, logo, crest, coat of arms, slogan or corporate program identifiers on any election campaign related material, either printed or on a campaign website;

Note: This provision includes any Municipal Election related identifiers.

- h. Use corporate Information Technology (IT) assets, infrastructure, or data (e.g. computers, networks, wireless devices, portals, corporate email, web pages, blogs, telephone) to communicate election related messages;

Note: A list of Candidate's or Registered Third Parties' shall be posted on the Township of Malahide's website.

- i. Include corporate web sites, domain names, or social media accounts that are funded by the Municipality in any election related campaign material;
- j. Use any photographs produced for and owned by the Municipality or any photo taken utilizing town equipment or sent through Municipal email accounts for any election related purposes;
- k. Use Municipal property or staff in any campaign photos or images. Photos/images of external Municipal facilities are permitted. Photos/images of internal Municipal facilities are not permitted; and
- l. Use the Municipality's voicemail system to record election-related messages.

2. Members of Council and its Local Boards

a. Advertising and Publications

The following services shall be discontinued for the Members of Council and its local boards from the day prior to Nomination Day in a municipal election year to Election Day:

- i. All forms of advertising, including municipal publications, paid for by the municipality;
- ii. All printing, photocopying and distribution, including printing and general distribution of newsletters unless so directed and approved by Council and its local boards;
- iii. The ordering of office furniture and furnishings, except those of an emergency nature, as well as, no movement of furniture and furnishings; and
- iv. The ordering of business cards, other stationary or office supplies.

b. Budgets

The budgets for Members of Council for the period January 1 to Election Day in a municipal election year be restricted to 11/12ths of the approved annual budget amount with the provision that subsequent to election day:

- i. New members of Council be allocated a budget equal to 1/12th of the approved budget amount for the month of December; and

- ii. Re-elected Members of Council have available to them the balance of funds remaining as of Election Day.

c. Printing and/or Distribution of Materials

The Members of Council may not deliver any unsolicited material outside their existing ward where the printing and/or distribution costs are paid by the Municipality. Care should be taken to ensure that the mailing of newsletters be restricted to the member's ward only (with accommodation made for the normal spillage associated with Canada Post postal walks). This recommendation to be effective not only during an election year but at all times.

d. Communications

The Members of Council are responsible to ensure that the content of any communications material, including printed material such as newsletters, advertising, etc. funded by the Municipality for the operation of each Councillor's Office, is not directly election-related.

e. Acclaimed Council Members

The above recommendations also apply to an acclaimed member or a member not seeking re-election.

3. Municipal Staff Involvement

Municipal Staff are discouraged from assisting with or having any involvement in municipal election campaigns, including posting election signs on their property, phone and email solicitations, signing nominations papers, distribution of brochures and wearing of candidate buttons; due to a perceived conflict of interest.

Municipal Staff, including full-time, part-time, and contract employees shall:

- a. Behave in a manner that is impartial, fair and unbiased towards all registered candidates and third parties;
- b. Consult with their direct Supervisor prior to agreeing to perform any task requested by a member of Council or its local boards, registered candidate, or third party that exceeds their normal duties or could be construed as contributing to an election campaign;
- c. Not rent any corporate facility/property for any municipal election related purpose to members of Council, candidates, or third parties during any

day that voting is taking place anywhere on the property;

- d. Take care to separate personal activities from their official positions and shall not canvass or actively work in support of a municipal candidate or third party during normal working hours unless on a leave of absence without pay, lieu time, float day, or vacation leave;
- e. Request and obtain a leave of absence without pay should they wish to run for federal, provincial or municipal office and abide by the respective legislation governing such elections.

Municipal Staff may be involved in provincial and federal campaigns as long as this involvement does not affect the objectivity with which they must discharge their duties as a representative of the Municipality.

### **Policy Management**

The Municipal Clerk's Office is responsible for communicating this policy to candidates and registered third parties. Staff are authorized and directed to take the necessary action to give effect to this policy.

Members of Council and its local boards, election candidates, registered third parties and Municipal staff are accountable to comply with this policy.

The Clerk is delegated the authority to make administrative changes to this policy that may be required from time to time due to legislative changes or if, in the opinion of the Clerk, the amendments do not change the intent of the policy during an election period.

### **Authorization**

In accordance with the Municipal Elections Act, 1996 the Clerk and authorized designate(s) are responsible for the administration of these rules and procedures.

### **Limitation**

Nothing in this Policy shall preclude a Member of Council from performing their job as a Councillor, nor inhibit them from representing the interests of the constituents who elected them.

## Report to Council

**REPORT NO.:** CLERK-22-04  
**DATE:** March 3, 2022  
**ATTACHMENT:** N/A  
**SUBJECT:** 2022 COUNCIL REMUNERATION

---

### Recommendation:

**THAT Report No. CLERK-22-04 entitled “2022 Council Remuneration” be received;**

**AND THAT Council provide direction to staff in terms of increasing annual Council salaries in 2023.**

### Background:

In late 2019, the Council established the Council Remuneration Review Committee.

The purpose of which was to review the remuneration and benefits to be paid to the Malahide Council Members and, if necessary, recommend changes to be implemented for this term of office. Such remuneration to be based on realistic standards so that the Elected Officials of Malahide may be compensated according to their roles and responsibilities. In February 2020, the Council appointed Committee Members based on their expertise and experience in business, management, government, or community organizations

The Committee presented its recommendations at the November 5, 2020 Council meeting. Council approved the Proposed Council Remuneration 2020-2022 Report by Resolution 20-449 and passed By-law 20-74.

By-law No. 20-74 establishes the remuneration rates for Members of Council. It outlines the rates for regular Council and Committee of the Whole meetings, annual mileage allowance for such meetings, per diems for participation in work-related conferences and workshops, along with mileage for such conferences and workshops.

**Comments/Analysis:**

One of the components of this resolution was to bring forward the following item for consideration:

“AND THAT, on or about May 1, 2022, the Council be requested to consider increasing all annual Council salaries by an additional \$500.00 to come into effect on January 1, 2023; it being pointed out that the intent of such salary increase is to provide additional incentive for candidates to run for Council in the Fall of 2022.”

As a result of this resolution, staff is bringing forward two options for Council to consider:

**Option 1:**

Council keep the current annual pay structure set by By-law 20-74

|              |             |
|--------------|-------------|
| Mayor        | \$24,247.43 |
| Deputy Mayor | \$18,079.48 |
| Councillor   | \$12,520.78 |

\* adjusted annually by the percentage increase granted to the Municipal Staff Salary Grid

**Option 2:**

Council consider an increase to all annual Council salaries by an additional \$500.00 to come into effect on January 1, 2023:

|              |             |
|--------------|-------------|
| Mayor        | \$24,747.43 |
| Deputy Mayor | \$18,579.48 |
| Councillor   | \$13,020.78 |

\* adjusted annually by the percentage increase granted to the Municipal Staff Salary Grid

**Financial Implications to Budget:**

The options above do not impact the 2022 Budget. If Option 2 is chosen, Municipal staff will ensure that the additional increase of \$3,500 for the next Council term is included in the 2023 Draft Budget presented to the Budget Committee and Council.

**Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that support the “Our Local Government” Strategic Pillar relates to “Improve Communication within our Community”. Transparency in reporting promotes public confidence.

## Report to Council

---

**REPORT NO.:** DS-22-10  
**DATE:** February 17, 2022  
**ATTACHMENT:** Report Photo; Letter requesting Lots to be Deemed; and, Draft Deeming By-law  
**SUBJECT:** **REQUEST FOR A DEEMING BY-LAW OF WENDY D'ANGELO (AUTHORIZED AGENT: MATT CAMPBELL, C/O ZELINKA PRIAMO LTD.)**

---

### Recommendation:

**THAT Report No. DS-22-10 entitled “Request for a Deeming By-law of Wendy D'Angelo” be received;**

**AND THAT Council approve By-law 22-09, which will deem Lots 105 through 110 on Plan 78 (known locally as 11789 Superior Street), West Side of Superior St. in the Village of Springfield, not to be a Plan of Subdivision.**

### Background:

As provided in the attached request letter, the owners of the subject lands have previously applied to the County Land Division Committee (Application No. E01/22), however such application was differed so that a “Deeming By-law” could be passed, having the effect of merging 6 existing lots into one, and then proceed to be severed into the two lots as proposed with the severance application.

Council considered this severance at its January 20<sup>th</sup>, 2022 meeting (Report No. DS-22-04).

### Comments:

The subject property, which contains one residence and accessory building, is legally comprised of 6 lots. A “Deeming By-law” is required to be passed by Council so to deem

these lots not to be part of a plan of subdivision. This will have the effect of merging them together in accordance with the Planning Act, RSO 1990.

Council may adopt a Deeming By-law to regulate the conveyance of whole lots within a registered plan of subdivision. The adoption of the attached Deeming By-law will mean that the 6 described lots will become one property, and such will allow the desired severance (to create one new residential parcel) to proceed.

Another component of the proposed severance, and was recommended to be added as a condition, was a Development Agreement given the newly severed lot will contain the existing garage, and such simple Development Agreement would be required to ensure that a single-detached dwelling should be constructed within a short period of time.

If Council deems it appropriate, and considering Council has already provided its support to this severance, a by-law authorizing the Mayor and Clerk to execute such Development Agreement only at such time that Provisional Consent Approval has been granted by the LDC can be done. Doing so at this juncture can save time for both Council and the Applicant after the LDC grants such approval.

The pertinent clauses of such agreement would state:

“1. The Owner(s) agree(s):

- a) To obtain the necessary Building Permit and obtain occupancy for a single-unit dwelling within two (2) years from the date of granting consent (being the date to which the severed parcel is created) by the County of Elgin Land Division Committee, and to the satisfaction of the Township of Malahide;
- b) That if a single-unit dwelling is not established within the stated timeframe as set-out in clause 1. a) above, that the Township can utilize its powers to have the accessory structure demolished;
- c) To provide the Township of Malahide with a financial security deposit in the amount of \$ 5,000.00 to ensure that the above clauses are satisfactorily addressed, upon such time the Township agrees to return such financial security deposit in full to the Owners; and,
- d) That the security deposit can be used by the Township to have the accessory building demolished if the above clauses are not satisfactorily addressed.”

If Council is supportive of authorizing the Mayor and Clerk to execute such Development Agreement, the following additional statement can be provided into the recommendation:

“AND THAT Council pass By-Law 22-\_\_\_, being a By-law to authorize the execution of a Development Agreement, pursuant to Sections 51 and 53 of the Planning Act, R.S.O. 1990, and Severance Application No. D10-E01-22, with Wendy D'Angelo relating to property in the Village of Springfield.”

**Financial Implications to Budget:**

The full cost of the development process, including the legal expenses incurred by the Township (e.g. to have the by-law registered on the property title) is at the expense of the applicant/property owner and has no implications on the Township's Budget.

**Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that support this project is the "Promote new development in a responsible manner that directs growth to appropriate areas within the Township". By supporting this deeming by-law and facilitating this proposal the Council is achieving this goal.

Further to our recent discussions, we hereby request that the Township of Malahide pass a 'deeming by-law' for the purpose of deeming Lots 105 to 110 (inclusive) on Registered Plan No. 78 to *not* be a registered plan of subdivision. The intent of this deeming by-law is to allow for the formal severance of these lands as proposed in a recently submitted Consent to Sever application that is presently before the Elgin County Land Division Committee.

We trust that the enclosed information is complete and satisfactory and we look forward to a timely approval process. Should you have any questions or require additional information, please feel free to contact our office.

Yours very truly,

EXPLANATORY NOTE**

By-law No. 22-09 of the Corporation of the Township of Malahide is a By-law to deem a portion of Registered Plan of Subdivision No. 78 in the Village of Springfield not to be a subdivision. Specifically, the proposal is to deem Lots 105 through to and including Lot 110 on the west side of Superior Street. The purpose for the deeming of subdivision is to facilitate a desired severance of a new residential lot as per County of Elgin Land Division Committee Application No. E01-22.

By-law No. 22-09 affects property in the Township of Malahide, known locally as 3493 & 3497 Colin Street in the Village of Springfield.

The effect of By-Law 22-09 is to merge Lots 105 through to and including Lot 110 as previously described so to facilitate the creation of one (1) new residential parcel to be created.

Schedule "A" to the attached By-law No. 22-09 is a map showing the location of the subject property.

## Report to Council

---

**REPORT NO.:** DS-22-11

**DATE:** February 17<sup>th</sup>, 2022

**ATTACHMENT:** Report Photo, Draft Development Agreement

**SUBJECT:** **APPLICATION FOR DEVELOPMENT AGREEMENT AS PER  
CONSENT TO SEVER OF ANNA AND ISAAK GIESBRECHT**

**LOCATION:** Part of Lot 11, Concession 1  
(49485 Nova Scotia Line, Copenhagen)

---

### Recommendation:

**THAT Report No. DS-22-11 entitled “Application for Development Agreement as per Consent to Sever of Anna and Isaak Giesbrecht” be received;**

**AND THAT the prepared Development Agreement relating to the property located at Part of Lot 11, Concession 1, and known municipally as 49485 Nova Scotia Line in the Hamlet of Copenhagen, be supported for the reasons set out in this Report;**

**AND THAT Council pass By-Law 22-11, being a By-law to authorize the execution of a Development Agreement with Anna and Isaak Giesbrecht pursuant to Sections 51 and 53 of the Planning Act, R.S.O. 1990, and Severance Application No. E73-21.**

### Comments/Analysis:

Council will recall the application for Consent to Sever (the “Application”) submitted by David Roe c/o Civic Planning Solutions Inc, on behalf of Anna and Isaak Giesbrecht in order to create one new residential parcel, including the conversion of an existing barn into a residence (Report No. DS-21-45, considered at the October 21, 2021 Meeting of Council).

The Application was granted provisional consent by the County’s Land Division Committee (“LDC”) subject to a number of conditions being completed, one such requiring that a Development Agreement be executed with the Township of Malahide in order to ensure the barn is indeed converted within an appropriate period of time.

The Application relates to the property in Copenhagen at 49485 Nova Scotia Line.

The Development Services Staff have prepared a simple development agreement and recommend it be approved. The pertinent clauses of the agreement state:

“The Owners agree:

- a) To obtain the necessary Building Permit and obtain occupancy for the converted barn into a single-unit dwelling within two (2) years from the date of granting consent (being the date to which the severed parcel is created) by the County of Elgin Land Division Committee, and to the satisfaction of the Township of Malahide;
- b) That if the barn is not converted within the stated timeframe as set-out in clause 1. a) above, that the Township can utilize its powers to have the barn demolished;
- c) To provide the Township of Malahide with a financial security deposit in the amount of \$ 5,000.00 to ensure that the above clauses are satisfactorily addressed, upon such time the Township agrees to return such financial security deposit in full to the Owners; and,
- d) That the security deposit can be used by the Township to have the accessory building demolished if the above clauses are not satisfactorily addressed.”

### **Financial Implications to Budget:**

The full cost of the consent and associated Development Agreement process is at the expense of the Applicant and has no implications to the Township’s Operating Budget.

### **Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

One of the goals that supports the “Our Land” Strategic Pillar is “Promote growth in a responsible manner”. Council is achieving this goal by requiring a Development Agreement which ensures certain matters deemed important by the Township are secured.

## BY-LAW NO. 22-11

Being a By-law to authorize the execution of a Development Agreement, pursuant to Sections 51 and 53 of the Planning Act, R.S.O. 1990, and Consent Application No. E73-21, with Anna and Isaak Giesbrecht relating to the property in the Hamlet of Copenhagen described as Part of Lot 11, Concession 1 (known locally as 49485 Nova Scotia Line).

**WHEREAS** Subsection 12 of Section 53 of the Planning Act, R.S.O. 1990, c. P.13, provides Consent Granting Authorities the same powers as the approval authority has with respect to the approval of a plan of subdivision, including granting approvals subject to such terms and conditions as the Consent Granting Authority considers advisable;

**AND WHEREAS** Subsections 25, 26 and 27 of Section 51 of the Planning Act, R.S.O. 1990, c. P.13, authorizes municipalities to enter into agreements imposed as a condition by the Consent Granting Authority and the agreements may be registered against the land to which it applies and the municipality is entitled to enforce the provisions of it against the owner and, subject to the Registry Act and the Land Titles Act, any and all subsequent owners of the land. 1994, c. 23, s. 30;

**AND WHEREAS** on October 27<sup>th</sup>, 2021 the County of Elgin Land Division Committee granted provisional consent to a severance as per Application No. E73-21 requiring (amongst other conditions) the entering into of a Development Agreement in order to regulate the conversion of an existing barn, proposed to remain on the severed lot, into a residential dwelling;

**AND WHEREAS** such severance relates to the property located at Part of Lot 11, Concession 1, being property in the Hamlet of Copenhagen known locally as 49485 Nova Scotia Line;

**AND WHEREAS** the Council of The Corporation of the Township of Malahide is desirous of entering into a Development Agreement with Anna and Isaak Giesbrecht as the owner of the property subject to Application No. E73-21;

**NOW THEREFORE** the Council of The Corporation of the Township of Malahide **HEREBY ENACTS AS FOLLOWS:**

1. THAT the entering into a Development Agreement with Anna and Isaak Giesbrecht relating to the property located at Part of Lot 11, Concession 1, being property in the Hamlet of Copenhagen known locally as 49485 Nova Scotia Line, is hereby approved and authorized.
2. THAT the Mayor and the Clerk be and they are hereby authorized and directed to execute on behalf of The Corporation of the Township of Malahide the said Development Agreement in substantially the same form as that attached hereto as Schedule "A" and forming a part of this By-law.

3. THAT the said Development Agreement shall take effect and come into force upon the signing thereof by all parties thereto.
4. THAT this By-law shall come into force and take effect on the final passing thereof.

**READ** a **FIRST** and **SECOND** time this 3rd day of March, 2022.

**READ** a **THIRD** time and **FINALLY PASSED** this 3rd day of March, 2022.

OF THE PLANNING ACT, R.S.O. 1990**

THIS AGREEMENT made this \_\_\_\_\_ day of \_\_\_\_\_ A.D. 2022.

BETWEEN:

**ANNA AND ISAAK GIESBRECHT**  
(Hereinafter called the "Owners")

OF THE FIRST PART

- and -

**THE CORPORATION OF THE TOWNSHIP OF MALAHIDE**  
(Hereinafter called the "Township")

OF THE SECOND PART

**WHEREAS** the Owners represent that they are the Owners of the lands in the Hamlet of Copenhagen in the Township of Malahide described as Part of Lot 11, Concession 1, and known municipally as 49485 Nova Scotia Line, and registered in the Registry Office for the Land Titles Division of Elgin (No. 11), being all of the P.I.N. identified as P.I.N. \_\_\_\_\_ - \_\_\_\_\_ (LT) (the "Property");

**AND WHEREAS** the Owners have applied to the Elgin County Land Division Committee (herein called "the Committee") for a consent pursuant to Section 53 of the Planning Act to sever a parcel for proposed residential use (conversion of the barn into a dwelling). The retained parcel is proposed to remain in residential use pursuant to Consent Application No. E 73-21 (herein called "the Application");

**AND WHEREAS** the Committee approved the Application subject to the Owners satisfying certain conditions prior to the Township issuing a building permit for the conversion of the barn into a dwelling pursuant to the Application;

**AND WHEREAS** this Agreement is being entered into by the parties hereto in order to satisfy one of the conditions to the approval of the Application which reads as follows:

*"vi) That the applicants initiate and assume the full cost associated with the required Development Agreement with the Township of Malahide in accordance with section 53 of the Ontario Planning Act, R.S.O. 1990 to ensure the conversion of the existing barn to residence occurs in accordance with the Ontario Building Code and within a specified period of time."*

**AND WHEREAS** this Agreement is being registered against the lands as described above and the Township is entitled to enforce the provisions thereof against the Owners and, subject to the provisions of the Registry Act and the Land Titles Act, any and all subsequent owners of the land in accordance with Subsection (26) of Section 51 of the Planning Act, R.S.O. 1990, as amended;

**NOW THEREFORE WITNESSETH THAT** in consideration of the premises and the sum of TWO (\$2.00) DOLLARS paid to the Township by the Owners (the receipt whereof is hereby acknowledged) and in consideration of the Township being supportive of the Owners' intentions for the conversion of the barn into a dwelling on the lands as proposed in Application No. E 73-21, the Owners covenant and agree with the Township to provide, to the satisfaction of and at no expense to the Township, the following:

1. The Owners agree: (*commencing on the following page / page 2*)

- a) To obtain the necessary Building Permit and obtain occupancy for the converted barn into a single-unit dwelling within two (2) years from the date of granting consent (being the date to which the severed parcel is created) by the County of Elgin Land Division Committee, and to the satisfaction of the Township of Malahide;
  - b) That if the barn is not converted within the stated timeframe as set-out in clause 1. a) above, that the Township can utilize its powers to have the barn demolished;
  - c) To provide the Township of Malahide with a financial security deposit in the amount of \$ 5,000.00 to ensure that the above clauses are satisfactorily addressed, upon such time the Township agrees to return such financial security deposit in full to the Owners; and,
  - d) That the security deposit can be used by the Township to have the accessory building demolished if the above clauses are not satisfactorily addressed.
2. Adjustments to the requirements and provisions of this Agreement may be made subject to the approval of the Township provided that such adjustments are in the spirit of this Agreement and the intent of this Agreement is maintained. Such minor adjustments shall not require an amendment to this Agreement; however, the written approval of the Township is required before such minor adjustments can be made.
3. Nothing in this Agreement constitutes a waiver of the obligation of the Owners to comply with the Zoning By-law of the Township or any other By-laws of the Township or any regulations or restrictions legally imposed by any government authority or agency having jurisdiction in connection therewith.
4. The Owners agree that all the facilities and matters required by this Agreement shall be provided and maintained at their sole risk and expense and to the satisfaction of the Township. The Owners further agree that in the event that they fail to comply with any of the provisions of this Agreement, in the sole discretion of the Township, the Township may perform such requirements at the expense of the Owners upon seven (7) days prior notice, in writing, to the Owners and forthwith in the case of any emergency. The Owners acknowledge that any expense incurred by the Township in performance of such requirements is the responsibility of the Owners and shall be recoverable by the Township.
5. The Owners, on behalf of themselves, their successors and assigns, hereby covenant to indemnify and save harmless the Township against any legal liability for losses, damages, claims, actions, demands, suits, and costs arising directly or indirectly from anything done by it or its servants, contractors or agents in connection with its performance under this Agreement.
6. This Agreement shall be registered against the Property. The covenants, agreements, conditions, and understandings herein contained on the part of the Owners shall run with the lands and shall ensure to the benefit of and be binding upon the parties hereto and their successors and assigns. The Owners further covenant and agree to pay to the Township the cost of registration of this Agreement.
7. If any terms of this Agreement shall be found to be ultra vires the Township, or otherwise unlawful, such terms shall inclusively be deemed to be severable, and the remainder of this Agreement mutatis mutandis shall be and remain in full force and effect.
8. The Owners agree to obtain and to register such postponements as may be acceptable to the Township of any charges, mortgages or encumbrances on the Property prior to the registration of this Agreement. The Owners acknowledge that the Township will not be required to finalize or register this Agreement until it has been satisfied that no other

outstanding charges or encumbrances are registered on the Property.

- 9. The Owners acknowledge that the Township, in addition to any other remedy it may have at law, shall also be entitled to enforce this Agreement in accordance with section 446 of the *Municipal Act, 2001*, S.O. 2001, c. 25.
- 10. The parties covenant and agree with each other not to call into question or challenge, directly or indirectly, in any proceeding or action in court, or before any administrative tribunal, the other party's right to enter into and enforce this Agreement. This provision may be pleaded by either party in an action or proceeding as an estoppel of any denial of such right.
- 11. This Agreement shall be interpreted under and be governed by the laws of the Province of Ontario.

**IN WITNESS WHEREOF** the Owners have hereunto affixed their signatures and the Township has hereunto affixed its corporate seal under the hands of its Mayor and Clerk.

## Report to Council

---

**REPORT NO.:** HR-22-02  
**DATE:** March 3, 2022  
**ATTACHMENT:** None  
**SUBJECT:** **WORKPLACE COVID-19 VACCINATION  
VERIFICATION POLICY UPDATE**

---

### Recommendation:

**THAT Report No. HR-22-02 entitled “Workplace COVID-19 Vaccination Policy Update” be received;**

**AND THAT the Workplace COVID-19 Vaccination Verification Policy B-1.8 be declared redundant effective April 1, 2022.**

### Background:

At the Council meeting held of October 7, 2021 the Council adopted the Workplace COVID-19 Vaccination Policy. The key elements of this policy are:

- a) Employees (including Volunteer Firefighters) that have not had two doses of the COVID-19 vaccination be required to test twice per week (maximum 96 hours apart) until such time as they become fully vaccinated.
- b) The municipality would provide the tests for employees until November 22, 2021, after which time employees are to obtain these tests on their own time and at their own cost.
- c) Any new hires for the municipality must be full vaccinated.

### Comments/Analysis:

Premier Ford has indicated that the majority of COVID restrictions across the province can be removed Effective March 1, 2022. Southwest Public Health (“SWPH”) has advised that, because our case counts remain high locally, policies and other measures to combat the virus remain for a few weeks longer, suggesting until April, 2022.

Staff recommend that the current Vaccination Verification Policy be declared redundant effective April 1, 2022, provided no further directives or announcements are issued by the Province and/or SWPH before that time suggesting otherwise.

At the same time staff will continue to ensure that the ongoing public safety recommendations, i.e. masking, physical distancing, daily employee/workplace screening, continue to be adhered to in the workplace. In addition, Staff will continue with an ongoing requirement that, should an employee be diagnosed as having COVID-19, they have a clear test to return to in-person work.

### **Financial Implications to Budget:**

### **Relationship to Cultivating Malahide:**

The Cultivating Malahide Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Government.

The recommendations of this report do not conflict with the goals established by the ICSP.

## Report to Council

---

**REPORT NO.:** HR-22-03  
**DATE:** March 3, 2022  
**ATTACHMENT:** None  
**SUBJECT:** POST-COVID-19 OFFICE RE-OPENING

---

### **Recommendation:**

That Report No. HR-22-03 entitled “Post-COVID-19 Office Re-Opening” be received.

**AND THAT the Municipal Staff be provided with direction regarding the plan for the Malahide Office to re-open to the public and staff to return to the office from remote working arrangements as outlined in this report.**

### **Background:**

During this time of COVID and at the direction of Southwestern Public Health (“SWPH”), administrative staff, who have been able to perform the duties of their position from their homes, have been encouraged to do so. In order to facilitate in-person customer service that was necessary, administrative staff have worked out a schedule to ensure that a minimum of two people are in the office on a rotating basis.

During their times in the office, staff members have been required to wear a mask whenever they were moving away from their work stations or when interacting with anyone at a closer proximity than the 6 feet physical distancing recommendations of SWPH. Administrative staff such as the Building Inspector, Drainage Superintendent, Water and Wastewater Manager, Roads and Construction Manager, IT/GIS Manager who are required from time to time to meet with the public outside of the office have been ensuring physical distancing and mask wearing for all meetings.

Road Staff, who obviously cannot perform their jobs from home, have been adhering to stringent cleaning protocols, ensuring physical distancing in the lunchroom, wearing masks when physical distancing could not be maintained, and only have one person in a vehicle whenever possible.

Staff are to be commended for being very successful in controlling COVID-19 in our workplaces and at the same time successfully delivering the services of the municipality while working remotely.

Premier Ford has indicated that the majority of COVID restrictions across the province can be removed Effective March 1, 2022. SWPH has advised that, because our case counts remain high locally, that staff members who can work remotely should do so for a bit longer, suggesting until April, 2022.

**Comments/Analysis:**

Based on the direction of the Province and the recommendations of SWPH, Staff recommend that the Administration Office return to pre-COVID operations effective Monday, April 4, 2022, specifically, Staff return and front doors open for “normal” public entrance (public, in-person transactions and inquiries have been one at a time and mostly taking place in the front vestibule).

It is also recommended that masking will be required when physical distancing of 2 meters cannot be maintained and daily screening will continue to be required.

**Financial Implications to Budget:**

N/A

**Relationship to Cultivating Malahide:**

The *Cultivating Malahide* Integrated Community Sustainability Plan (ICSP) is based upon four pillars of sustainability: Our Land, Our Economy, Our Community, and Our Local Government.

One of the goals that support the “Our Local Government” Strategic Pillar relates to “Embody Financial Efficiency throughout Decision-Making”. Balancing Municipal operational requirements while ensuring Municipal Staff are adequately compensated for their efforts works to achieve this goal.

## Report to Council

---

**REPORT NO.:** CAO-22-02  
**DATE:** March 3, 2022  
**ATTACHMENT:** None  
**SUBJECT:** **PORT BRUCE FLOODING, FEBRUARY 17<sup>TH</sup> & 18<sup>TH</sup>, 2022 –  
UPDATE REPORT**

---

### **Recommendation:**

**THAT Report No. CAO-22-02 entitled “Port Bruce Flooding, February 17th & 18th, 2022 – Update Report” be received.**

### **Comments/Analysis:**

This report provides a general update to the significant flood event which took place in the Village of Port Bruce on February 17<sup>th</sup> and 18<sup>th</sup>, 2022.

Staff continue working through this event on a number of fronts as discussed in this report.

When the flooding was realized in the early afternoon on February 17<sup>th</sup>, the Township’s Director of Emergency Services/Fire Chief called for firefighters from Station 5 as well as the Township’s Technical Response Team (comprised of members from all Stations) to attend the Village.

Members of the Township’s Emergency Control Group, being comprised of the Mayor, the County of Elgin Community Emergency Management Coordinator (“CEMC”), the Township Clerk and other senior Township Staff as per the Township’s Emergency Response Plan worked over the following hours to support the response efforts.

Although the flood event has been covered in recent media, the following is a detailed summarization:

#### **Emergency Shelter / Displaced Residents**

Many displaced residents were able to arrange accommodation with friends and/or family. For others, an emergency evacuation shelter was set up at the Sommerfield Mennonite Church in Mount Salem. Once set-up, a “OneCall” notification was issued at

approximately 4pm informing displaced residents of its availability and location. Some residents were driven to the shelter by the Mayor.

The emergency shelter was setup and staffed by the Township's Human Resources Manager & Emergency Services Assistant who remained until staff from St. Johns Ambulance took over for the night, followed by St. Thomas-Elgin Social Services in the morning, all of whom continued to provide warm food, bedding and other necessities to the displaced residents. It proved very beneficial to have an arrangement with, and supplies at the church for situations such as what unfolded.

Some of the residents who stayed at the emergency shelter were able to return to their homes the next day (Friday, Feb 18th), however some required further accommodation. These residents were provided assistance through Ontario Works, including accommodation at a hotel in St. Thomas and allowance for food and clothing. All costs are covered by Ontario Works.

The total number of displaced residents who utilized the shelter and/or the Ontario Works assistance was seven (7).

#### Fire Department/Technical Rescue Team

The Township's Fire Chief reported that 23 residents were rescued by the Township's Technical Rescue Teams at 10 separate locations (approx.). Those teams utilized special inflatable watercraft for the rescues, all of which were done safely with no injuries to either residents or responders.

#### Damaged Fire Pumper

The Township Fire Pumper Truck suffered engine damage during one of the last rescues late when water was able to enter the engine. the pumper is currently inoperable, and Staff are awaiting on the insurance damage report before any repairs will be made. Central Elgin has provided its back-up pumper so that there is no impact to emergency services.

#### Fire Call at Terrace Lodge

Concurrently to the rescue efforts in the Village, the Fire Department responded to a fire call at Terrace Lodge, the County's long-term care home in the Township. The fire was reported to be in the new area currently under construction. The Township's North Stations (3 & 4) responded to that call, however Aylmer Fire Department was called to be on notice for back-up given Malahide Fire Department members were involved on the technical rescue team in Port Bruce. Fortunately the fire was extinguished in short order with no resources being removed from the flooding event.

#### Waste Removal

Trucks from Miller Waste were in the Village on the Monday and Tuesday following the flood event, and a 3<sup>rd</sup> time last Friday (Feb. 25<sup>th</sup>) to assist impacted residents with disaster recovery.

#### Disaster Relief Assistance for Ontarians ("DRAO")

The Ministry of Municipal Affairs and Housing has a funding program for property owners and municipalities impacted by a natural disaster.

Staff contacted MMAH Staff, and MMAH dispatched a Provincial Disaster Assessment Team, who, together with the Township's Fire Chief and CAO, visited 9 properties on Friday, February 25<sup>th</sup> to gather information. Such information will be presented to the MMAH Minister who will make the decision on "Activating" the DRAO relief program.

If the Minister activates such program, those home owners can hopefully seek financial assistance for certain costs incurred.

Staff are also reviewing federal-level programs that may be eligible.

#### Clean-Up/Damages of Roadways and Public Property

A section of Imperial Road at the bend leading into the beach area remained submerged over the weekend following the flood. The Township contracted a sewer pumping company and the Fire Department's pumper tanker to assist in pumping-out the water. No damages to the roadway were reported due to the ice or prolonged submergence.

Large chunks of ice remain throughout the Village as of the date of writing. Clean-up of the Township's roadways will wait until spring when all of the ice has melted. Following such, a clean-up of debris can take place. No significant damage of roadways have been noted.

Similar to roadways, clean-up of Township buildings (such as the Wannacot Park bathroom) will occur in the spring. No significant damage has been noted.

Lastly, damages to the Pier benches and planters (installed onto the cement jersey barriers) have occurred and will also need to wait until the spring once the area is cleared of ice and debris.

Staff will undertake a financial assessment and provide recommendations for replacement of any damaged infrastructure.

#### **Financial Implications to Budget:**

The flood event is expected to impact the Township's operating budget, however it is too early to provide figures. The Staff are also reviewing eligibility for funding assistance/program for municipalities, such being dependent on the level of financial impact.

**c) 2020 and 2021 Permit Application Turnaround Times**

The Interim Manager of Watershed Services reviewed the Planning Department's statistics for permit turnaround times for the years 2020 and 2021. Service standards were created by the Ministry of Northern Development, Mines, Natural Resources and Forestry (MNDMNRF) in 2010. In 2015, LPRCA created objectives for plan review and permitting activities with more aggressive targets than required by MNDMNRF.

Staff achieved their targets in the last two years and strive to maintain and improve turnaround times.

**Recommendation:**

**THAT the Report respecting the East Elgin Community Complex 2022 Operational Budget be received as information; and**

**THAT the EECC Board approve the 2022 Operational Budget in the amount of \$595,034; and**

**THAT the EECC Board's recommendation be forwarded to Malahide and Aylmer Council's for final approval.**

**Executive Summary:**

On November 24, 2021 staff presented the proposed 2022 Operational Budget. There have been no changes to the budget however there are additional pressures due to the additional revenue loss from the January closures. The proposed 2022 Operational Budget sees an increased funding requirement of \$40,838 for an amount of \$595,034.

**Background:**

Staff worked diligently on the 2022 Operating Budget to present a modest operational increase of 3.3%. Since the budget was originally presented staff have undertaken additional work towards cost avoidance for the unanticipated January closure due to the Omicron variant.

Our experience thus far suggests that there will be a strong return to recreation due to an eagerness for user groups. It will remain to be seen if uptake around advertisers and room bookings will also return to pre-pandemic levels.

The 2021-year end process is just underway in Aylmer. As a result, we do not have final details upon 2021 operations. As identified in the appendix of this report we are not in a deficit position, however there are still outstanding amounts to be attributed. As a reminder 2020 saw a shortfall of \$90,268 due to Covid-19

closures. We do anticipate that if there is a shortfall in 2021 that it will be relatively minor. Part of the reason for this outcome has been the Town of Aylmer utilizing approximately \$21,000 of our available Covid-19 funding to support the EECC in 2021.

The proposed budget does not include consideration of the January shut-down. At the time of authoring this report the EECC remains closed however we are hopeful that it will be reopened with capacity restrictions prior to the Boards meeting. Staff have been redeployed to undertake EECC maintenance projects and electricity usage has been significantly reduced in the facility due to the cold outdoor temperatures.

**Consultations:**

Public Notice of the Budget Meeting was provided on the EECC website and the local paper in accordance with the Boards Terms of Reference.

This report was circulated to Malahide staff for comment with no concerns being raised in response.

| <b>Submitted for:</b>                                   | <b>Board Meeting – February 9, 2022</b>                   |
| <b>Report Author:</b>                                   | Andy Grozelle, EECC Administrator/CAO Aylmer              |
| <input type="checkbox"/> <b>Receive for Information</b> | <input checked="" type="checkbox"/> <b>Recommendation</b> |

**Recommendation:**

**THAT the Report respecting the East Elgin Community Complex 2022 Capital Budget be received as information; and**

**THAT the EECC Board approve the 2022 Capital Budget in the amount of \$377,000; and**

**THAT the EECC Board's recommendation be forwarded to Malahide and Aylmer Council's for final approval.**

**Executive Summary:**

On November 24, 2021, staff presented the preliminary 2022 Capital Budget to the EECC Board. Staff received informal direction to review the potential for purchase of a natural gas ice resurfacer. Staff have reviewed and intend to include this as a potential within the scope of the RFP but are not recommending an increase to the overall project cost. This results in the proposed Capital budget for 2022 remaining unchanged at \$377,000 (\$188,500 per municipality).

**Background:**

Two deferred projects form the majority of the 2022 Capital Budget; Skate Tile Replacement (\$150,000) and ice resurfacer (\$105,000). The Board will recall that the 2021 portion of skate tile replacement did not proceed as a result of unfavourable tender results. The ice resurfacer was deferred during 2021 Budget Deliberations.

Out of service time occurred with the current ice resurfacer in 2021, as a result staff cannot recommend a further deferral. Staff would also like to see the completion of the skate tile project occur in 2022.

Also included in the 2022 Capital Budget are four hot water heater units \$32,000, concrete floor repairs \$15,000, and security cameras and updated infrastructure \$20,000.

The EECC currently holds \$83,942.00 in the Trust Fund Reserve that could be allocated to the 2022 Capital Budget by resolution of the Board and member municipalities.

**Consultations:**

This report has been reviewed by Malahide's CAO and Treasurer. Malahide Staff does not contest the need for the items listed however notes that the recommended items exceed its historical funding allocation for EECC capital projects, and would recommend exploring possibilities for projects being deferred.

# THE CORPORATION OF THE TOWNSHIP OF MALAHIDE

## BY-LAW NO. 22-10

Being a By-law to authorize the execution of a Development Agreement, pursuant to Sections 51 and 53 of the Planning Act, R.S.O. 1990, and Consent Application No. D10-E01-22, with Wendy D'Angelo relating to the property in the Village of Springfield described as Lots 105 through 110 on Plan 78 (known locally as 11789 Superior Street).

**WHEREAS** Subsection 12 of Section 53 of the Planning Act, R.S.O. 1990, c. P.13, provides Consent Granting Authorities the same powers as the approval authority has with respect to the approval of a plan of subdivision, including granting approvals subject to such terms and conditions as the Consent Granting Authority considers advisable;

**AND WHEREAS** Subsections 25, 26 and 27 of Section 51 of the Planning Act, R.S.O. 1990, c. P.13, authorizes municipalities to enter into agreements imposed as a condition by the Consent Granting Authority and the agreements may be registered against the land to which it applies and the municipality is entitled to enforce the provisions of it against the owner and, subject to the Registry Act and the Land Titles Act, any and all subsequent owners of the land. 1994, c. 23, s. 30;

**AND WHEREAS** the County of Elgin Land Division Committee may grant provisional consent to a severance as per Application No. D10 E01-22 and subject to the entering into of a Development Agreement in order to regulate the use of an existing accessory structure proposed to remain on the severed lot;

**AND WHEREAS** such severance relates to the property located at Lots 105 through 110 on Plan 78, being property in the Village of Springfield known locally as 11789 Superior Street;

**AND WHEREAS** the Council of The Corporation of the Township of Malahide is desirous of entering into a Development Agreement with Wendy D'Angelo as the owner of the property subject to Application No. D10-E01-22;

**NOW THEREFORE** the Council of The Corporation of the Township of Malahide **HEREBY ENACTS AS FOLLOWS:**

1. THAT the entering into a Development Agreement with Wendy D'Angelo relating to the property located at Lots 105 through 110 on Plan 78, being property in the Village of Springfield known locally as 11789 Superior Street, is hereby approved and authorized.
2. THAT the Mayor and the Clerk be and they are hereby authorized and directed to execute on behalf of The Corporation of the Township of Malahide the said Development Agreement in substantially the same form as that attached hereto as Schedule "A" and forming a part of this By-law.
3. THAT execution of the said Development Agreement shall only occur upon the Township of Malahide being in receipt of a Notice of Provisional Consent Approval by the County of Elgin, such Notice stipulating a condition requiring a Development Agreement.

4. THAT the said Development Agreement shall take effect and come into force upon the signing thereof by all parties thereto.
5. THAT this By-law shall come into force and take effect on the final passing thereof.

**READ** a **FIRST** and **SECOND** time this 3rd day of March, 2022.

**READ** a **THIRD** time and **FINALLY PASSED** this 3rd day of March, 2022.

## Schedule 'A' to By-Law No. 22-10

**AGREEMENT MADE UNDER SECTIONS 51(25) AND (26), AND SECTION 53(12)  
OF THE PLANNING ACT, R.S.O. 1990**

THIS AGREEMENT made this \_\_\_\_\_ day of \_\_\_\_\_ A.D. 2022.

BETWEEN:

**WENDY D'ANGELO**

(Hereinafter called the "Owners")

OF THE FIRST PART

- and -

**THE CORPORATION OF THE TOWNSHIP OF MALAHIDE**

(Hereinafter called the "Township")

OF THE SECOND PART

**WHEREAS** the Owners represent that they are the Owners of the lands in the Village of Springfield in the Township of Malahide described as Lots 105 through 110 on Plan 78, Parts 1 and 2 on 11R1568, and known municipally as 11789 Superior Street, and registered in the Registry Office for the Land Titles Division of Elgin (No. 11), being all of the P.I.N. identified as P.I.N. 35287 - 0326 (LT) (the "Property");

**AND WHEREAS** the Owners have applied to the Elgin County Land Division Committee (herein called "the Committee") for a consent pursuant to Section 53 of the Planning Act to sever one new residential parcel. The retained parcel is proposed to remain in residential use pursuant to Consent Application No. E01-22 (herein called "the Application");

**AND WHEREAS** the Committee approved the Application subject to the Owners satisfying certain conditions prior to the Township issuing a building permit for the conversion of the barn into a dwelling pursuant to the Application;

**AND WHEREAS** this Agreement is being entered into by the parties hereto in order to satisfy one of the conditions to the approval of the Application which reads as follows:

*"That the applicants initiate and assume the full cost associated with the required Development Agreement with the Township of Malahide in accordance with section 53 of the Ontario Planning Act, R.S.O. 1990 to ensure a single unit dwelling is constructed in accordance with the Ontario Building Code and within a specified period of time to the satisfaction of the Township of Malahide."*

**AND WHEREAS** this Agreement is being registered against the lands as described above and the Township is entitled to enforce the provisions thereof against the Owners and, subject to the provisions of the Registry Act and the Land Titles Act, any and all subsequent owners of the land in accordance with Subsection (26) of Section 51 of the Planning Act, R.S.O. 1990, as amended;

**NOW THEREFORE WITNESSETH THAT** in consideration of the premises and the sum of TWO (\$2.00) DOLLARS paid to the Township by the Owners (the receipt whereof is hereby acknowledged) and in consideration of the Township being supportive of the Owners' intentions for establishing a residence on the newly created parcel in short order as proposed in Application No. E01-22, the Owners covenant and agree with the Township to provide, to the satisfaction of and at no expense to the Township, the following:

1. The Owners agree: (*commencing on the following page / page 2*)

- a) To obtain the necessary Building Permit and obtain occupancy for a single-unit dwelling within two (2) years from the date of granting consent (being the date to which the severed parcel is created) by the County of Elgin Land Division Committee, and to the satisfaction of the Township of Malahide;
  - b) That if a single-unit dwelling is not established within the stated timeframe as set-out in clause 1. a) above, that the Township can utilize its powers to have the accessory structure demolished;
  - c) To provide the Township of Malahide with a financial security deposit in the amount of \$ 5,000.00 to ensure that the above clauses are satisfactorily addressed, upon such time the Township agrees to return such financial security deposit in full to the Owners; and,
  - d) That the security deposit can be used by the Township to have the accessory building demolished if the above clauses are not satisfactorily addressed.”
2. Adjustments to the requirements and provisions of this Agreement may be made subject to the approval of the Township provided that such adjustments are in the spirit of this Agreement and the intent of this Agreement is maintained. Such minor adjustments shall not require an amendment to this Agreement; however, the written approval of the Township is required before such minor adjustments can be made.
3. Nothing in this Agreement constitutes a waiver of the obligation of the Owners to comply with the Zoning By-law of the Township or any other By-laws of the Township or any regulations or restrictions legally imposed by any government authority or agency having jurisdiction in connection therewith.
4. The Owners agree that all the facilities and matters required by this Agreement shall be provided and maintained at their sole risk and expense and to the satisfaction of the Township. The Owners further agree that in the event that they fail to comply with any of the provisions of this Agreement, in the sole discretion of the Township, the Township may perform such requirements at the expense of the Owners upon seven (7) days prior notice, in writing, to the Owners and forthwith in the case of any emergency. The Owners acknowledge that any expense incurred by the Township in performance of such requirements is the responsibility of the Owners and shall be recoverable by the Township.
5. The Owners, on behalf of themselves, their successors and assigns, hereby covenant to indemnify and save harmless the Township against any legal liability for losses, damages, claims, actions, demands, suits, and costs arising directly or indirectly from anything done by it or its servants, contractors or agents in connection with its performance under this Agreement.
6. This Agreement shall be registered against the Property. The covenants, agreements, conditions, and understandings herein contained on the part of the Owners shall run with the lands and shall enure to the benefit of and be binding upon the parties hereto and their successors and assigns. The Owners further covenant and agree to pay to the Township the cost of registration of this Agreement.
7. If any terms of this Agreement shall be found to be ultra vires the Township, or otherwise unlawful, such terms shall inclusively be deemed to be severable, and the remainder of this Agreement mutatis mutandis shall be and remain in full force and effect.
8. The Owners agree to obtain and to register such postponements as may be acceptable to the Township of any charges, mortgages or encumbrances on the Property prior to the registration of this Agreement. The Owners acknowledge that the Township will not be required to finalize or register this Agreement until it has been satisfied that no other outstanding charges or encumbrances are registered on the Property.
9. The Owners acknowledge that the Township, in addition to any other remedy it may

have at law, shall also be entitled to enforce this Agreement in accordance with section 446 of the *Municipal Act, 2001*, S.O. 2001, c. 25.

10. The parties covenant and agree with each other not to call into question or challenge, directly or indirectly, in any proceeding or action in court, or before any administrative tribunal, the other party's right to enter into and enforce this Agreement. This provision may be pleaded by either party in an action or proceeding as an estoppel of any denial of such right.
11. This Agreement shall be interpreted under and be governed by the laws of the Province of Ontario.

**IN WITNESS WHEREOF** the Owners have hereunto affixed their signatures and the Township has hereunto affixed its corporate seal under the hands of its Mayor and Clerk.
