

## COMPOSTING

The Township of Malahide offers backyard composters for \$35 (HST Incl.) and kitchen catchers for \$3.50 (HST incl.), available at the Township office. Putting garden and kitchen material in a compost bin removes these materials from curbside waste collection and save landfill space.

## OFA or CFFO MEMBERS

Landowners with farmland without a residence who have a valid Accredited Farm Organization membership and/or Farm Business Registration Number are eligible to receive an annual allotment of garbage bag tags (one allotment of bag tags per registration), subject to paying the annual fee. You must present your registration card/number at the Township Office and pay the annual fee to receive the allotted garbage bag tags.

## CHANGES TO SERVICES

### STARTING JUNE 1<sup>ST</sup> 2021

The Township of Malahide will only collect one recycling stream at a time each week. This strategy of collecting one recycling stream at a time will allow Miller to collect recycling and garbage in one dual compartment truck, as depicted.

Reducing the number of trucks required for collection each day will not only reduce costs, but also our carbon footprint. The Township of Malahide is dedicated to finding ways to be more environmentally responsible.

## SERVICES TO REMAIN

### NO CHANGES TO:

- The collection routes;
- Your regular day of collection;
- Weekly garbage collection; and
- The Bag Tag system.
