RE: Flooding Emergencies & Water/Sewer System Emergencies

Malahide Township has an automated phone message system which alerts residents in the event of a **flood emergency** in Port Bruce or Springfield, and in the event of a **water/sewer system emergency** such as boil water advisories, water main breaks, and planned shutdowns.

Even if you have provided information in the past, please provide your name, address, and a minimum of one phone number in order to update the contact list. You can use your home phone number, your work number, a cell phone number, a relative or caregiver number etc. You can provide up to 6 phone contacts and 5 email addresses if you wish. ***If you have a tenant, please ensure we have your tenant's information.***

Once the form is completed – please return it to our office as soon as possible:
