

**Job Opportunity:** Civil Engineering Technologist / GIS Technician Summer Student  
**Department:** Public Works  
**Location:** 87 John Street South, Aylmer, ON  
**Employment Type:** Contract  
**Duration:** May 5, 2026, to August 28, 2026 (approx. 17 weeks)  
**Rate of Pay:** \$18.60 / hour  
**Application Deadline:** February 20, 2025

### **Position Summary:**

We are seeking an enthusiastic and detail-oriented Civil Engineering Technologist / GIS Technician Student to assist our team with GIS data collection, various engineering projects and analysis. This role offers hands-on experience with retro-reflectivity equipment, survey equipment, and data mapping software.

### **Responsibilities:**

- Collect, manage, and analyze GIS data for municipal planning.
- Prepare maps, models, and reports using GIS software.
- Conduct site inspections and surveys as required.
- Report preparation and data analysis.
- Collaborate with the team to support ongoing infrastructure and GIS initiatives.
- Perform other duties as assigned.

### **Qualifications:**

The successful applicant must be currently enrolled in the first year or second year of a university or college-level Civil Engineering Technologist/Technician program. Experience with Geomatics or GIS technology is considered an asset. Strong organizational and problem-solving skills and ability to work independently and collaboratively in a team environment.

A valid G Driver's License is required. This position will work **35** hours per week.

### **How to Apply:**

Submit your resume and cover letter to Sue Loewen at [hr@malahide.ca](mailto:hr@malahide.ca). Please include "CET/GIS Student Application" in the subject line.
