

Disaster Recovery Assistance for Ontarians

Online information sessions

We are pleased to invite you to our virtual information sessions and help you apply for the [Disaster Recovery Assistance for Ontarians](#) program. The program is accepting applications from people affected by:

- Storm on St. Joseph Island on August 11, 2021
- Flooding in the City of Brampton (Churchville area) on February 17, 2022
- Flooding in Port Bruce in the Township of Malahide on February 17, 2022

Each session will be delivered online and begin with a 45-minute presentation followed by a question period. We will cover:

- Overview of the program guidelines
- Who is eligible, and what costs are covered under the program
- How to apply and types of documentation required
- Questions and answers period
