

# TOWNSHIP OF MALAHIDE

## Welcome to our First Quarterly Recap Newsletter

We're excited to bring you the very first edition of our quarterly newsletter! This is where we'll keep you updated on everything that's been happening in the past few months—new projects, key milestones, exciting events, and so on. In each edition, we'll provide a recap of the highlights, giving you a clear snapshot of the progress we've made and the moments we've shared. Our goal is to keep you connected and engaged with all the latest updates from our team and community. We look forward to keeping you informed and sharing what's coming next in future editions!

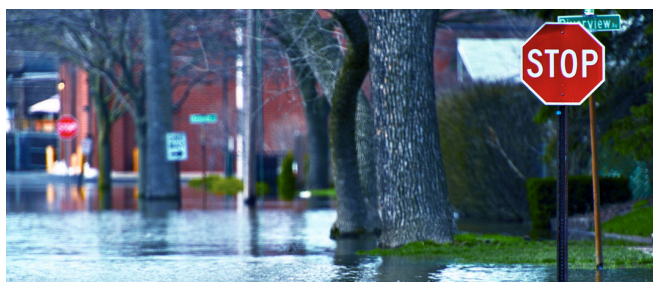

## 2025 BUDGET SET

The 2025 budget has now been officially passed, and we want to thank everyone who provided valuable feedback throughout the review process. With your input, we have developed a budget that reflects the priorities and needs of our community.

### No Expiry Date on Garbage Bag Tags

Great news! Your garbage bag tags no longer have an expiration date, meaning they're good to use whenever you need them. While you'll still receive a new package of tags in the mail at the end of the year, you can continue using your old tags until they're all used up—no stress, no rush!

### Flood Season Recap: Success through Preparedness and Collective Efforts

After going through flood season, we're pleased to report that, thanks to the efforts of all those involved and Mother Nature's cooperation, no substantial flooding occurred. However, it's still important to be prepared before, during, and after a flood. Residents are encouraged to stay informed. Remember, being flood-ready is essential. For more emergency preparedness information, visit our website.

# CONNECT SUPPORT & ENGAGE

This framework enhances community interaction by fostering strong relationships, providing essential resources, and encouraging resident participation. Together, we create a responsive and vibrant Township that prioritizes well-being and collaboration.

Need support or have feedback? Visit our portal for quick and easy assistance—we're here to help!

## MCP Concession Stand Open for the 2025 Season

The bid for concession services at Malahide Community Place (MCP) has been awarded! The Township has partnered with The Ice Box to provide concession services for the 2025 summer season. This is a wonderful opportunity for the community to enjoy great food and support local services. The upcoming season promises to be an exciting one!

## Malahide Fire Services Monthly Newsletter – Exciting News!

Our Fire Services Department is launching a monthly newsletter to keep the community updated on all the important work they're doing! Stay tuned for updates, tips, and behind-the-scenes action from your local heroes.

## Emergencies Can Happen Anytime!

Stay informed and be prepared by signing up or updating your contact information for the Township's automated emergency warning system. This service ensures you receive timely alerts for critical situations such as flood emergencies in Port Bruce & Springfield, as well as water/sewer issues like boil water advisories, water main breaks, and planned shutdowns.

## 2023-2033 Strategic Plan:

### A Community-Driven Vision for Malahide's future.

The newly implemented strategic plan sets the direction and serves as a guiding document. It defines the Township's vision, mission, values, and priorities, ensuring effective budgeting, operations, and service delivery. As part of our commitment to tracking progress and measuring success, an annual report will be prepared to review the priorities, goals, and actions taken toward achieving those goals.
