

TOWNSHIP OF MALAHIDE

Welcome to our Second Quarterly Recap Newsletter

We're excited to share the second edition of our quarterly newsletter! In this issue, we'll continue to keep you informed on the latest developments—recent projects, key achievements, community events, and more. Each edition offers a snapshot of the progress we've made and the highlights we've experienced together. Our goal remains the same: to keep you connected and engaged with everything happening across our team and community. Thank you for joining us again—we're looking forward to what's ahead and can't wait to share more in the editions to come!

Out and About: Connecting with the Community

Steven, our Community Relations & Economic Development Manager, has been busy representing the Township at recent events. At the Micromobility session in Port Bruce on May 10th, Steven was one of many speakers engaging with attendees on this transportation method. Then, at Springfield Family Fun Day on June 21st, the Malahide booth had a great turnout—plus the Mayor stopped by to say hi! Thanks to everyone who visited Steven it was a fantastic event and a wonderful opportunity to connect with residents.

ROAD CONSTRUCTION PROJECTS UNDERWAY

Thank you for your patience and cooperation during construction season. These projects are essential improvements aimed at making our roads safer and better for everyone. We appreciate your understanding as we work toward positive changes in our community!

Coming Soon: Simple, Smart Facility Booking – Streamlining Access to Township Spaces

We're making it easier to book Township facilities! A new online booking system is on the way, allowing you to check availability and reserve spaces like community halls, meeting rooms and commercial kitchens—anytime, anywhere. Stay tuned for more details as we roll it out in the coming months!

CONNECT SUPPORT & ENGAGE

This framework enhances community interaction by fostering strong relationships, providing essential resources, and encouraging resident participation. Together, we create a responsive and vibrant Township that prioritizes well-being and collaboration.

Grant Funding received for East Elgin Community Complex

The Ontario government is investing \$650,035 in much-needed repairs and upgrades to the jointly owned East Elgin Community Complex — including the roof, HVAC, and refrigeration systems. Funding is through the \$200M Community Sport and Recreation Infrastructure Fund to support active, healthy communities across Ontario.

MFS Welcomes 4 Newly Certified Firefighters!

Congratulations to our newest members on completing NFPA 1001 Level I & II training through the Elgin-Middlesex Regional School — great work!

Planning a Building Project? Homeowners & Contractors — Get a Permit Before You Build!

Whether it's a reno, addition, or new build, permits help keep your project safe, legal, and on track.

- ✓ Meets building codes
- ✓ Avoids fines & delays
- ✓ Protects resale & insurance

Do it right—check with the Township first!

2023-2033 Strategic Plan:

A Community-Driven Vision for Malahide's future.

The newly implemented strategic plan sets the direction and serves as a guiding document. It defines the Township's vision, mission, values, and priorities, ensuring effective budgeting, operations, and service delivery. As part of our commitment to tracking progress and measuring success, an annual report will be prepared to review the priorities, goals, and actions taken toward achieving those goals.
