

MALAHIDE TOWNSHIP MUNICIPAL WATER CUSTOMERS: FALL HYDRANT FLUSHING PROGRAM

The Ontario Clean Water Agency (OCWA) will be flushing municipal fire hydrants starting on September 30, 2024 through to October 18, 2024 for the following areas: Dexter Line, Waneta Beach, Port Bruce, Rush Creek Line, Nova Scotia Line, Copenhagen, Dixie Estates, Jamestown Line, Imperial Rd., Dingle St, Hacienda Road, Talbot Street East, Talbot Street West, Rogers Road, Orwell. This flushing program will continue for a period of approximately 3 weeks. Flushing will normally occur between the hours of 8:00 am and 4:00 pm.

During the flushing program, you may experience a temporary discolouration and/or low pressure on your water supply. If your water appears to be discoloured, the Township recommends that you flush your taps for a few minutes to clear up the water. The Township apologizes for any inconvenience that this may cause.

If you have any questions or concerns, please contact Malahide's Water Department at (519) 773-5344, Ext. 226
