TAKE NOTICE that the Council of the Township of Malahide will hold a public meeting April 16th, 2026 at 7 PM to consider the updated Elgincentives Community Improvement Plan (CIP) pursuant to Sections 17 and 28 of the *Planning Act R.S.O., 1990, c. P.13, as amended*. The meeting will take place in the Council Chambers in the Springfield & Area Community Service Building at 51221 Ron McNeil Line, Springfield and will be livestreamed via <https://bit.ly/4uHRSqy>.

PURPOSE AND EFFECT

A Community Improvement Plan (CIP) is an economic development tool used by municipalities in Ontario to guide strategic investment, development, and revitalization initiatives that support the physical improvement of a municipality or areas within a municipality. This is typically accomplished through the implementation of a combination of financial grants and municipal leadership initiatives. The current Elgincentives CIP was adopted in 2015 and has supported a range of improvement projects for over a decade through its incentive programming.

Building on the success of the 2015 CIP, the County undertook a review and update of the Plan in 2025 to ensure it responds to recent provincial policy changes, new trends in economic development, and shifts in community priorities. An updated CIP has been prepared and is now being considered for adoption, which includes the following highlights:

- *A refreshed vision and goals to better guide the CIP's implementation and priorities;*
- *Restructured incentive programs to improve clarity and effectiveness, including all-new incentive programs targeting affordable housing;*
- *The introduction of several "Municipal Leadership Initiatives" that outline potential Council-led improvements related to streetscape improvements, inventorying public land and brownfields, supporting additional dwelling units (ADUs) and supporting climate resiliency improvements.*

The entire Township of Malahide is designated a Community Improvement Project Area (CIPA) under By-law 15-37 and the Elgincentives CIP applies to all lands in the Township of Malahide. A copy of the updated CIP can be viewed on the Township's website here: <https://www.malahide.ca> and on the County of Elgin's website here: <https://engageelgin.ca/elgincentives>.
